UNIVERSITY OF HYDERABAD

School of Computer and Information Science

Date:04-Aug-2025

This is to certify that Mr. Pulla Karthik and Mr. Kondeti Mokshith have successfully completed the project entitled: **"Visualization of Human activity sensor using CASAS Dataset"**

The internship was carried out under my supervision at the 5G use case lab, School of Computer and Information Sciences, University of Hyderabad, during July 2025.

During the course of the project, Mr. Pulla Karthik actively engaged in the depiction of sensor activities for smart monitoring. Leveraging access to the university's 5G Lab, he conducted real-time experimentation and validated the dataset in a practical environment. The project demonstrated strong technical competence and a clear understanding of the challenges and opportunities within the data visualization of intelligent edge computing.

I affirm that the work presented in this report is an original and independent effort by Mr. Pulla Karthik, carried out with sincerity, diligence, and academic integrity.

UNIVERSITY OF HYDERABAD

School of Computer and Information Science

Date:04-Aug-2025

This is to certify that Mr. Pulla Karthik and Mr. Kondeti Mokshith have successfully completed the project entitled: **"Visualization of Human activity sensor using CASAS Dataset"**

The internship was carried out under my supervision at the 5G use case lab, School of Computer and Information Sciences, University of Hyderabad, during July 2025.

During the course of the project, Mr. Pulla Karthik actively engaged in the depiction of sensor activities for smart monitoring. Leveraging access to the university's 5G Lab, he conducted real-time experimentation and validated the dataset in a practical environment. The project demonstrated strong technical competence and a clear understanding of the challenges and opportunities within the data visualization of intelligent edge computing.

I affirm that the work presented in this report is an original and independent effort by Mr. Pulla Karthik, carried out with sincerity, diligence, and academic integrity.

OFFER LETTER

To whom it may concern, **ID ALT56852**

DEAR PAPPU CHARAN NARAYANA SWAMY,

We are excited to welcome you to the **WEB DEVELOPMENT** Internship Program at **ALIF TECH,** in collaboration with **ALIF TECH**. Thank you for choosing to embark on this exciting journey with us. This internship is designed to enhance your technical skills, broaden your knowledge, and provide hands-on experience in the domains of **WEB DEVELOPMENT**.

The internship will run from **June 10, 2025, to AUGUST 10, 2025**, spanning two months of focused learning and skill development. Although this is an unpaid opportunity, the core objective is to equip you with both theoretical knowledge and practical expertise essential for excelling in this fast-growing field.

During the program, you'll engage with real-world projects, collaborate with our experienced team, and explore advanced concepts in **WEB DEVELOPMENT**. This experience aims to build a solid foundation for your future career and help you stand out in today's competitive tech landscape.
We look forward to working with you and are confident that your passion and dedication will make this journey both meaningful and impactful.
