**A Report on "Alumni Meet"**  
**Organized by Department of Computer Science & Engineering**  
**on 31.01.2026**

**Report Submitted by: Mrs. V. Geetha, Assistant Professor, & Dept. Alumni Coordinator, Department of CSE.**  
**Report Received on 09.02.2026.**  
**Mode of Conduct: Offline**

The Department of Computer Science & Engineering organized an alumni meet on 31st January 2026.

**Introduction**

The Department of Computer Science & Engineering successfully organized the Alumni Meet with the objective of strengthening the relationship between alumni, students, faculty, and the institution. The event provided a platform for alumni to share their professional experiences and guide current students.

**Message from the Principal**

The Principal warmly welcomed all alumni and expressed pride in their achievements. He/She emphasized that alumni are the pillars of the institution's reputation and success. The Principal encouraged alumni to actively participate in institutional development through mentorship, internships, and technical collaboration. The speech concluded with best wishes for a long-lasting relationship between the alumni and the institution.

### Message from the Head of the Department (HOD)

The Head of the Department highlighted the growth of the CSE department in academics, research, and placements. The HOD appreciated the alumni for being role models to current students and invited their suggestions for curriculum enhancement and industry-oriented activities. The importance of continuous alumni interaction for departmental progress was emphasized.

### Message from the Institute Alumni Coordinator

The Institute Alumni Coordinator explained the role of the alumni association in connecting former students with the institution. Alumni were encouraged to contribute through guest lectures, student mentoring, internships, and collaborative projects. The coordinator expressed gratitude for the alumni's presence and support in strengthening the alumni network.

### Message from the Department Alumni Coordinator

The Department Alumni Coordinator welcomed the alumni and explained the initiatives taken by the department to maintain strong alumni relations. Alumni were requested to actively participate in departmental activities and support students in career guidance and professional development. The coordinator thanked all alumni for their valuable time and continued association.

### Alumni Message

Returning to this campus reminds us that every great journey starts with a single line of code, a late-night lab, and the courage to keep learning. When we were students here, none of us had the full picture—just curiosity, ambition, and the willingness to try.

The world of technology will keep changing, but the mindset you build here matters more than any single skill. Stay curious. Fail fast. Learn faster. Don't compare your chapter one with someone else's chapter ten. What truly sets you apart is consistency and the courage to step outside your comfort zone.

Your degree opens the door, but your attitude decides how far you go. Use your knowledge to solve real problems, lift others as you grow, and never stop believing that you belong in every room you walk into.

One day, you'll return not just as graduates, but as examples of what's possible. Until then—dream big, work hard, and trust the process.

### Outcome of the Alumni Meet

- Strengthened alumni–institution relationship
- Career guidance and motivation for students
- Suggestions received for academic and industry collaboration
- Willingness of alumni to support internships, projects, and placements

### Conclusion

The CSE Alumni Meet concluded successfully with meaningful interactions and renewed commitment from alumni towards the growth of the department and institution.

Vote of Thanks: Mrs. V. Geetha proposed a vote of thanks to the alumnus, HoD and Alumni Relations Officer for attending the function. She extended her thanks to the Principal and the Management for their support in conducting the alumni meet.
