

**A Report on**  
**Cyber Security Awareness Month (CSAM 2023)**  
**Organized by Department of Computer Science & Engineering (Cyber Security)**  
**From 9<sup>th</sup> to 13<sup>th</sup> October 2023**

**Submitted by: Mr. Gowtham A, Department of Computer Science & Engineering (Cyber Security)**

**Report Received on 03.11.2023.**

**Participants:** Students of School of Computers.

Cyber Security Awareness Month 2023 (CSAM 2023) events were organized by the Department of Computer Science & Engineering (Cyber Security) from 9<sup>th</sup> to 13<sup>th</sup> October, 2023. The objective of the series of events was to provide a platform where students can get aware, interact and exchange their ideas of the secured internet usage, discuss the latest technologies and implement innovative ideas in Cyber world.

The following events were conducted during the CSAM 2023

- Paper Presentation
- Poster Presentation
- Cyber Debugging
- Cyber Quiz
- Skit on Cyber Awareness
- Live Demo on Major Cyber Attacks

### **Valedictory Function**

The valedictory function of CSAM 2023 was organized on 17<sup>th</sup> October 2023 after the completion of all the events.

Dr. S.V.S Ganga Devi, Professor & HoD of Department of Computer Science & Engineering (Cyber Security) welcomed the gathering and insisted on the importance of awareness on the Cyber Security concepts in the real-world executions.

Our Respected Principal Dr. C.Yuvaraj, has addressed the gathering on the latest trends and the corresponding job opportunities available in the real world. Also, Prizes were distributed to the winners of various events by our Principal.

Mr. Gowtham A, Assistant Professor and Convener of the event, delivered the vote of thanks and appreciated the participants and student organizers for their continuous support and active participation in various events.

Many participants appreciated the queries asked by the judges in the paper presentation and poster presentation contest and they got inspired and motivated to learn the subject to have in-depth knowledge with those queries.

We are greatly indebted to the Management, the Principal, the Head of the Computer Science & Engineering (Cyber Security) Department, Faculty and Student Coordinators of the department for providing us this opportunity and support to organize such event successfully.
