## Report on

### Seminar titled “Linux and Open Source Web Technologies”

Organized by Department of Computer Science & Engineering

Participants:

II Year B.Tech – Computer Science & Engineering Students – MITS

11<sup>th</sup> July 2018

Submitted by: **Dr. P. Kuppusamy**, Associate Professor, Department of Computer Science & Engineering

The Department of Computer Science & Engineering organized a seminar titled “**Linux and Open Source Web Technologies**” for B.Tech - II Year II semester students on **11<sup>th</sup> July 2018**. The aim of this seminar is providing the awareness about the free open source operating System and web technologies for practicing the computer programs, develop the software projects.

The theme of the Open Source is defined any computer program whose source code is made available for use or modification as user or other developers see fit. Open Source is a fundamentally different development model that leverages the collaborative efforts of community. The objective of enhancing the penetration of Open Source technologies in general, and making available the world of Open Source opportunities to the students. It has introduced the “**RED HAT ACADEMY**” program for engineering institutions worldwide.

**Inauguration:** The inaugural session has started at 09:45 AM in the CSE seminar hall. Dr.P. Kuppusamy invited Dr. R.Kalpana, Assoc. Professor & HOD of Computer Science and Engineering, Dr.Ch.Rama Prasada Rao, Professor and Dean – Industry Institute Interaction Cell, Dr. C. Yuvaraj, Principal, Mr.Mani Varadhan, CEO, Plexus Networks, Chennai onto the dais.
