NBA Accredited - B.Tech. (CIVIL, CSE, ECE, EEE, MECH, CST), MBA & MCA

A Report on National Level Article Presentation Contest on
“PEN TO PODIUM” Organized by
Department of Computer Science & Engineering
in Association with
Academic Decipher Mumbai
12th September 2025

Report Submitted by: Dr. R. Nidhya, Professor, Department of Computer Science & Engineering.

Total no. of Participants: 78

Location & Mode of Event: Scaleup Class Room & Hybrid mode

Timings: 11 AM to 5 PM

Mode of Conduct: Offline

Report Received on 26.09.2025.

The Department of Computer Science and Engineering at Madanapalle Institute of Technology & Science (MITS), Madanapalle, successfully organized a National Level Article Presentation Contest titled **“Pen to Podium”** on 12th September 2025 at 11:00 A.M. The competition aimed to promote innovative thinking, encourage research-oriented writing, and provide a national platform for students and budding researchers to present their insights and ideas on the **theme “Innovation for Sustainable Future.”**

The event was envisioned as an initiative to nurture creativity and intellectual engagement among students, motivating them to explore innovative technologies and sustainable solutions for the challenges of the modern world. It brought together participants from various institutions across the country, creating an atmosphere of knowledge sharing and constructive discourse.

The program commenced at 11:00 A.M. with a warm welcome address by Dr. R. Nidhya, the Event Coordinator, who highlighted the significance of the contest and its contribution towards nurturing innovation and sustainability-focused research among students. This was followed by an inspiring inaugural address by Dr. M Sreedevi, HoD/CSE MITS, who emphasized the importance of sustainable innovation in shaping a resilient future. She encouraged participants to think beyond conventional approaches and to focus on technologies that address pressing global challenges such as climate change, renewable energy, and resource management.

The contest received an overwhelming response, with numerous article submissions from students and research enthusiasts representing various reputed institutions across the country. After a thorough evaluation process, the best entries were shortlisted for the final presentation round, where participants presented their work before an expert panel of judges comprising eminent academicians and industry professionals. The event concluded with a valedictory session, where the judges shared their observations and praised the participants for their innovative ideas and well-researched presentations. The top-performing teams were announced and awarded certificates of merit, while all participants received participation certificates as a recognition of their efforts.

Summary of Event

Total number of Participants for the first round: 330

- Andhra Pradesh: 180
- Karnataka: 4
- Kerala: 6
- Tamilnadu: 130
- Telangana: 10

Total number of Participants for the Final Round: 78

- Andhra Pradesh: 51
- Tamilnadu: 24
- Telangana: 3

WINNERS DETAILS:

Student Name	College Name	Prize	Amount
Kiran Kumar Reddy & Team	Madanapalle Institute of Technology and Science	I Prize	Rs 5,000
Sirigibattula Vahini & team	St.Martin's Engineering College	II Prize	Rs 3,000
Heshwanth Reddy B M & Team	Mother Theresa Institute of Engineering and Technology	III Prize	Rs 1,000
Gautam Prasad Upadhyay & Team	SRM Institute of Science and Technology	III Prize	Rs 1,000
Manasa Bysani & Team	Madanapalle Institute of Technology and Science	III Prize	Rs 1,000

Outcomes of the Event

1. **Enhanced Research and Writing Skills:** Participants significantly improved their ability to conduct research, structure technical articles, and present their ideas effectively, enhancing both their academic and professional competencies.
2. **Promotion of Innovation in Sustainability:** The event inspired students to think critically and creatively about sustainable technologies, resulting in innovative ideas and proposed solutions to address environmental and societal challenges.
3. **National-Level Knowledge Exchange:** The contest facilitated interaction among students, academicians, and professionals from various institutions across India, promoting collaborative learning and the sharing of diverse perspectives.
4. **Recognition and Motivation for Young Innovators:** Finalists and winners received recognition for their efforts, motivating them to pursue further research, publications, and projects in sustainability-focused domains.
