Permission letter
The Parents Meeting started by 10:30am Parents and faculty. The Parents Meeting is inaugurated by Dr. S. Kusuma, Head of the Department of Computer Science & Engineering (Data Science).

Welcome Address:
Dr. S. Kusuma, Head, Department of CSE (Data Science), Madanapalle Institute of Technology & Science (MITS), Madanapalle welcomed the parents. She has given brief content on the following topics.

- Motivational speech for the Parents and Students.
- How to support the students for their growth.
- Importance of college life and how to focus on studies.
- Responsibilities of a student in their college life.
- Discipline of students in the college.
- The parents need to regularly monitor the students by asking their mentor in the department.
- Learn new technologies for doing projects.
- Encouraged students for higher studies
- The present generation and culture in society.
- Performance of the students in the exams
- Students Internships
- Student academic achievements
- Students' co-curricular activities
- Students' extra-curricular activities

After HoD Madam presentation, the Parents came forward to meet Mentor and Class Teachers to know their ward academic performance. The student's attendance percentage, Mid Test Marks and End semester Marks are shared to parents. The parents are requested to meet the faculty members at least once in a semester.

Outcome of the Meeting:

- The parents can know their wards' strengths and weaknesses. Further, they can encourage their wards.
- The parents can continuously track their ward's academic progress.
- The parents can encourage their wards to participate in upcoming competitions.
- The parents can encourage their wards to prepare for higher studies.
