A Report on “Parent – Teacher Meeting” Organized by Department of Computer Science & Engineering on 09.10.2026

Report Submitted by: Dr. N. Krishnaiah, Associate Professor, Department of Computer Science & Engineering.

Participants: 73

Venue: Seminar Hall - C

Mode of Conduct: Offline

Report Received on 16.10.2026.

Objectives:

The Department of Computer Science and Engineering (CSE), Madanapalle Institute of Technology & Science, organized a Parent–Teacher Meeting on 9 October 2026 in Seminar Hall C. The meeting provided an opportunity for parents and faculty members to discuss students’ academic progress, attendance, discipline, skill development, and future career opportunities.

Programme Details

The meeting was attended by Dr. P. Ramanathan, Principal; Dr. C. P. Gupta, Dean – School of Computing; Dr. R. Nidhya, In-charge Head of the Department, CSE; faculty members; and parents.

The programme was convened by Dr. M. Sreedevi, Professor and Head, CSE, and coordinated by Dr. N. Krishnaiah, Associate Professor, CSE. The co-coordinators were Mrs. G. Vasundara Devi and Mrs. G. B. Renuka, Assistant Professors, CSE.

Welcome Address:

The **Welcome Address** was delivered by **Dr. N. Krishnaiah**, Associate Professor, Department of CSE. He warmly welcomed the parents and highlighted the importance of active communication and collaboration between parents and the institution for the academic and personal development of students.

Key Messages and Discussions

Dr. P. Ramanathan, Principal, highlighted the importance of regular attendance and encouraged students to make effective use of their time on campus. He advised students to develop their skills alongside their academic studies and to prepare for better employment opportunities through certificate courses, specialized training, and the Centre of Excellence.

Dr. C. P. Gupta, Dean – School of Computing, emphasized the need for parents to monitor students' homework and attendance and to remain in contact with faculty mentors. He also highlighted project-based learning as a way to prepare students to address real-world challenges.

Dr. R. Nidhya, In-charge Head of the Department, CSE, stressed the importance of coordination among parents, faculty members, and mentors. She encouraged all stakeholders to work together to support students' academic progress, discipline, and skill development.

Major Points Discussed

- Monitoring students' attendance and academic progress regularly.
- Maintaining communication between parents and faculty mentors.
- Encouraging students to improve technical and professional skills.
- Promoting project-based learning and practical exposure.
- Preparing students for future employment opportunities through training and skill development.

Vote of Thanks

Mrs. G. B. Renuka, Assistant Professor, Department of Computer Science and Engineering, delivered the vote of thanks. She expressed gratitude to the dignitaries, parents, faculty members, and everyone who contributed to the successful conduct of the meeting.

Conclusion

The meeting highlighted the shared responsibility of parents and faculty members in supporting students' overall development. The discussions focused on attendance, academic performance, mentoring, practical learning, and career readiness. The department emphasized continued parent–faculty communication and the importance of conducting such meetings to support students' academic and professional growth.

UN-SDG Mapping

SDG 4 – Quality Education: Supporting students' academic growth and overall development.

SDG 3 – Good Health and Well-being: Promoting students' mental and emotional well-being.

SDG 17 – Partnerships for the Goals: Strengthening collaboration among parents, students, mentors, and the department.
