Objective of this event:

The Parent–Teacher Meeting aims to strengthen collaboration between parents and teachers to support the overall growth of the students. It serves as a platform to discuss students’ academic performance, extracurricular involvement, behavior and any challenges they may be facing.

Summary of the event:

The Department of Computer Science & Engineering organized a Parent-Teacher Meeting on 15.11.2025 at 10:00 Am in Seminar Hall – D. The meeting began at 10:00 Am with a welcome address by Mr. Thangarasan T, Assistant Professor, Dept. of CSE, who emphasized the importance and benefits of Parent-Teacher Meetings. Mr. K. Md. Riyaz Ali, Manager – Student and Parent Relations, spoke about the college's strengths, recent activities, and the importance of parental involvement. Dr. M. Sreedevi, Professor & Head, Dept. of CSE, welcomed the parents and highlighted the department's strengths and recent initiatives. She encouraged parents to interact regularly with their wards' mentors to stay updated on academic progress. Dr. Chandra Prakash Gupta, Dean, School of Computing, highlighted the importance of students' career development and skill enhancement. He emphasized the need for continuous learning to meet evolving industry demands and encouraged students to actively participate in technical workshops, hackathons, and certification programs. Following this, Dr. P. Ramanathan, Principal, delivered the inaugural address and emphasized current industry trends and the significance of placement.

Some points discussed in the meeting are:

- ❖ Recognized the student who received the highest package in AY 2025–26.
- ❖ Informed parents about the importance of regular mentor–mentee interactions.
- ❖ Explained the significance of internships for industry exposure.
- ❖ Highlighted the need for discipline, punctuality, and professional behaviour.
- ❖ Emphasized project-based learning and hackathon participation for skill development.

Parents' Feedback on the meeting:

- ❖ Requested more frequent updates on students' academic performance and attendance.
- ❖ Appreciated the timely organization of the Parent–Teacher Meeting.
- ❖ Suggested arranging additional sessions on career guidance and higher education opportunities.
- ❖ Requested improved coordination between mentors and parents for addressing student concerns.
- ❖ Recommended sharing regular progress reports through digital platforms.

Outcome of the Meeting:

- ❖ Parents gained clarity on academic expectations and attendance requirements.
- ❖ Parents and mentors collaboratively discussed action plans for students needing improvement.
- ❖ Strengthened communication between faculty and parents for continuous monitoring.
- ❖ Parents understood the importance of internships, projects and extracurricular activities.
- ❖ Increased parents' confidence in the support systems available for students.

Finally, Mrs. Bommy M, Assistant Professor, Department of CSE, delivered the Vote of Thanks, marking the conclusion of the event. On behalf of the Dept. of CSE faculty members, She expressed her thanks to the Management, Principal, Dean, Manager, Parents and the students who made this event a grand success.
