Alumni Guest Lecture on
Security in IoT
29.09.2020

Submitted by : *Dr Y C A Padmanabha Reddy, Assistant Professor, Dept. of Computer Science & Engineering*

➢ Resource Person**: Dr Goutham Reddy** (Alumni from 2006-2010 Batch), **Assistant Professor in CSE, National Institute of Technology (NIT), Andhra Pradesh.**

Title: **Security in Internet of Things**
Mode of conduction: Online in MS Teams
Link for Registration (https://bit.ly/3cCG4y4)
Audience: III B. Tech Students (65)
Organized by: Dept. of CSE in Association with MITSAWA

Under Alumni Guest Lecture series, to encourage students towards current technologies , a lecture on the importance of " **Security in IOT**" which plays a important role to grab the opportunities in cyber security, Internet of Things, which was organized on 29.09.2020.

Dr G Gowtham Reddy, the resource person, covered the following topics which are useful for the students who wants to choose their career in security or IoT.

1. Introduction to Security
2. Security Protocols
3. Smart Devices
4. Role of Security in IoT
5. Grab the Oppurtunities in current technologies such as IoT
6. Motivation towards research in security in IoT
7. Difficulties or hazards to became Security analyst
8. Applications of IoT

Dr Ramesh Reddy, Alumni Relations Officer encouraged the students to develop any IoT based applications to meet the challenges in the society. The session ended with an Feedback session. Finally, the vote of thanks proposed by Dr Y C A Padmanabha Reddy, Alumni Co-ordinator, CSE Dept.

Alumni Guest Lecture on "**Security in Internet of Things (IoT)** " on **29-09-2020**-Reg.
