Department of Computer Science and Technology, has organized **“Alumni Guest Lecture on SAP as Career”** on **22.09.2023**(Friday),09:30 AM to 12:30 PM.

**Objective**:

The aim of this guest lecture was to know SAP as a career objective can indicate a desire to work with SAP software, gain expertise in SAP modules, or pursue a career in SAP consulting, implementation, support, or development.

The Programme Started at 10:00 AM with a welcome address to all the audience by the **Mr. D. Suresh**, **Assistant Professor, Department of CST,** MITS, Madanapalle.

The resource person started the session by extending her hearty thanks to the participants,

organizing members, HoD, Principal and Management of MITS Madanapalle for giving opportunity to share her knowledge and experience in **“SAP as Career”.**

The resource person delivered lecture on the following topics:

1. SAP Community Migration: The SAP Community is migrating to a new platform, and you can read more about this exciting change.
2. SAP BASIS: This topic covers important aspects of SAP BASIS, such as ERP introduction, SAP R/3 introduction, SAP versions, directory structures, and user administration.
3. SAP Fiori: SAP Fiori is the design system for SAP products, enabling the creation of business applications with a consumer-grade user experience. It involves using UI technologies like SAPUI5, UI5 Web Components, and mobile SDKs to build SAP Fiori apps.
4. SAP Administration/Development
5. Discussion on Placement Preparations.

**Take-away from the session:**

- Students able to know basics of SAP Tool.
- Students got basic Knowledge on SAP ABAP.
- Students known about the accenture company placement process.
- How to set up a goal to grasp an opportunity in on-campus placements.
- Students able to know how to switch over from campus to corporate culture.

**Vote of Thanks:** The session was concluded at 12:30 PM followed by a vote of thanks, given by **Mr. V. Naveen, Assistant Professor**, Department of Computer Science and Technology.
