### Welcome Address:

The Program commenced at 3:00 PM with a welcome address by Mr. Y. Ravi Raju, Assistant Professor, Department of CST. He pointed out the importance of this guest lecture and elaborated the need for having the balance of emotions to the mankind especially to the professionals. He further invited, Dr. K. Dinesh, Head of the department, CST to give his message.

### Key Address By HoD:

Dr. K Dinesh, Head of the Department – CST, Welcomed everyone again for this guest lecture program and remarked that the increasing levels of stress in the contemporary world due to life style changes are causing health issues, and this lecture would help to gain an insightful knowledge in this aspect.

Then Mr. P. Feroze Khan, Assistant Professor of CST department, introduced the resource person to the gathering.

# MADANAPALLE INSTITUTE OF TECHNOLOGY & SCIENCE

(UGC-AUTONOMOUS INSTITUTION)

Affiliated to JNTUA, Anantapuramu & Approved by AICTE, New Delhi  
NAAC Accredited with A+ Grade, NIRF India Rankings 2021-Band: 201-250 (Engg.)  
NBA Accredited -B.Tech. (CIVIL, CSE, ECE, EEE, MECH), MBA & MCA

The resource person started his session by thanking the Management, Principal and Head of the Department and IQAC members. He then introduced the concept of emotions and deduced the idea of emotional intelligence.

The key areas of life journey are explained along with the primacy of health, happiness and success in connection to emotional balance. He explained the need for technocrats to equip the domain knowledge and the needs of the society in the backdrop of humane touch. As the human beings are gregarious in nature, the need of social skills and Emotional intelligence is explained with examples especially for budding engineers to act as team members and leaders of transformation of the world.

As a part of this, the meaning, step by step process in acquiring Emotional Intelligence, the dos and don'ts for technocrats in their professional careers are explained.

## Outcomes:

**At the End of the program students are able to gain knowledge on the following aspects.**

- The Importance of Emotional Intelligence for human beings, why and how it is more important than any other like AI for technocrats initially
- The way how to understand Emotions, the consequences of lack of Emotional Intelligence and regulate negative emotions
- The empathy that the professionals should possess towards the others
- How to maintain amicable interpersonal relationships and improve the social skills

## Vote of Thanks:

The program concluded with a vote of thanks delivered by Mr. Firoz Khan, Assistant Professor, Department of CST. In his address, he expressed heartfelt gratitude to the resource person, as well as the faculty members and students of the Department of CST, for their enthusiastic participation. Further he expressed his gratitude towards Principal, Management for their support. He emphasized that these initiatives are significant steps toward paving a bright and delightful personal as well as professional life for students.
