Career Planning
10/06/2022**

Submitted by: Dr. N.Praveena, Assistant Professor/CST, MITS, Madanapalle

Resource Person: Mr.Kristam Shanmukha Sai

Department of Computer Science & Technology organized on day a Guest Lecture on 10/06/2022 titled "Career Planning" for the students about their carrier and how to choose the righteous path in the life. He discussed about different career after B.Tech. His lecture enlightened the gathering on the effective communication and how to face the interviews to choose the right path for the students.

Attended: Participants from II year students (250)

Mode: Offline.

Abstract of Talk: Career planning plays a very important role in one's life. It helps us to manage the direction we want our career to take, the job skills and knowledge we will need, and how we can get them. It is the combination of your life experience, learning, and all work experience. These days, you are responsible for your own career and you have to continuously reflect on where you are, where you want to be and how you will prepare for further career opportunities.

A Guest Lecture was started at 10:10AM. The lecture was initiated by Dr.N.Praveena, Assistant Professor, CST Department. The Resource person Mr.Kristam Shanmukha Sai was introduced by Dr. M. Sreedevi, Professor & Head-CST Department.

The resource person addressed the gathering about the planning of student career after the B.Tech
