CONFERENCES 2018-2019

Dr.M. Sreedevi

1. Participated in 14th India Innovation Summit 2018 - INDIA.AI @ Bangalore organized by Confederation of Indian Industry [CII] during 12 - 13 July 2018.
2. Programme on "Certified Cyber Security Professional (Level-II)" organized by National Cyber Defense Research Centre (NCDRC) at Rajarajeswari Medical College and Hospital Campus (RRMCH), Bangalore on 22-24 June 2018.

Dr.B. Bhanu Chander

1. Amit Gorai, Bhanu Chander Balusa, Udaya Sameer," A deep learning approach for automated quality control of iron ores", in proceedings of the Scopus International conference on Mining goes Digital. DOI/ISBN 10.1201/9780429320774-52, page 455.

Dr. T. Satyanarayana Murthy

1. T.Satyanarayana Murthy, G.Preethi, N.P.Gopalan "An Efficient way of Anonymization without subjecting to attacks using Secure Matrix Method", in proceedings of the IEEE International Conference on Intelligent Computing and Control Systems at VAIGAI COLLEGE OF ENGG,MADURAI, June-2018. Indexed in IEEE.
2. T.Satyanarayana Murthy, N.P.Gopalan "An Efficient meta-heuristic Chemical Reaction based algorithm for Association rule Hiding using an advanced perturbation approach", in proceedings of the IEEE International Conference on Intelligent Computing and Control Systems, at VAIGAI COLLEGE OF ENGG,MADURAI, June-2018. Indexed in IEEE.
3. Attended a One-day workshop on IOT and MACHINE LEARNING held on 27-10-2018 at National Institute of Technology, Tiruchirappalli.
4. Attended a Five-day workshop on Deep Learning with Tensorflow and R Programming at Kalasilingam Academy of Research and Education, Krishnankoil in 2018 from 11-12-2018 to 15-12-2018.
5. Attended a Three-day FDP on IOT from 30-08-2019 to 01-09-2019 at Vignan University, Vadalmudi Guntur.
