Affiliated to JNTUA, Ananthapuramu & Approved by AICTE, New Delhi
NAAC Accredited with A+ Grade, NIRF India Rankings 2022 - Band: 251 - 300 (Engg.)
NBA Accredited - B.Tech. (CIVIL, CSE, ECE, EEE, MECH), MBA & MCA

A Report on MoU Exchange Between

Madanapalle Institute of Technology & Science (MITS) & Cybersecurity Centre of Excellence (CCoE)

12th October 2023

MEMORANDUM OF UNDERSTANDING (MoU)

Between

CYBERSECURITY CENTRE OF EXCELLENCE,
TELANGANA

And

MADANAPALLE INSTITUTE OF TECHNOLOGY &
SCIENCE(MITS)

Submitted by Mr. K Giridhar, Assistant Professor, Department of CST, MITS. Report Received on 02.11.2023

MoU Organization Details:

MoU with: Cybersecurity Centre of Excellence (CCoE), Data Security Council of India (DSCI), Government of Telangana

Chief Executive Officer: Dr. Sriram Birudavolu, CCoE

Date of Receiving MoU: 12-10-2023

Mode: Physical

Event Details:

Event Name: IEEE Education Society, Leadership Summit 2023

Date of the Event: 12th to 14th October 2023

Organized by: Anil Neerukonda Institute of Technology & Science (ANITS)

Location: Thagarapavalasa, Visakhapatnam

Event Coordinators: Dr. Vijay Kumar, Joyce Christina M, Sarath S

IEEE Education Society: Mr. M. Sai Prashanth, Chair, Visakhapatnam

Department of Computer Science & Technology has initiated MoU with Cybersecurity Centre of Excellence (CCoE), Data Security Council of India (DSCI), Government of Telangana.

Madanapalle Institute of Technology & Science (MITS), Madanapalle signed on MoU with Cybersecurity Centre of Excellence (CCoE), Data Security Council of India (DSCI), Government of Telangana.

Objectives of the MOU

Collaborative Research: Foster collaborative research initiatives in the field of cybersecurity, encompassing areas such as threat analysis, data protection, and emerging cybersecurity technologies.

Knowledge Exchange: Facilitate the exchange of knowledge and expertise between MITS and CCoE, encouraging joint workshops, seminars, and training programs.

Student Engagement: Create opportunities for students of MITS to engage in cybersecurity-related projects, internships, and competitions, thereby enhancing their skills and practical knowledge.

Industry Partnerships: Collaborate on initiatives that connect academia and industry in the cybersecurity domain, promoting innovation and job readiness for students.

Policy Advocacy: Engage in joint efforts to influence policymaking and advocacy for cybersecurity best practices and regulations at the regional and national levels.

Key Activities

Joint Research Projects: MITS and CCoE will undertake joint research projects, encouraging interdisciplinary collaboration and knowledge sharing.

Cybersecurity Workshops and Seminars: Regularly organize workshops and seminars on various cybersecurity topics to foster knowledge exchange.

Student Internships and Projects: CCoE will provide internship opportunities for MITS students and engage them in real-world cybersecurity projects.

Industry Partnerships: Facilitate connections between students and industry professionals through networking events, conferences, and collaborative projects.

Policy Advocacy: Participate in discussions and events related to cybersecurity policy development and contribute to the enhancement of cybersecurity regulations.

Signatories:

The MOU was signed by the following representatives:

For MITS:

Dr. C Yuvaraj,

Principal, MITS

Madanapalle Institute of Technology & Science,

Madanapalle, AP

For CCoE, DSCI, Government of Telangana:

Dr. Sriram Birudavolu,

Chief Executive Officer,

Cybersecurity Centre of Excellence (CCoE), Data

Security Council of India (DSCI), Government of

Telangana

The Programme started at IEEE Education Society, Leadership Summit 2023, ANITS, Vizag at 08:00 am on 12th October 2023.
