Department of Computer Science & Technology has organized “**Alumni Guest Lecture on Employability Skills for the Future**” on **17.10.2023**(Tuesday), 10:00 AM to 12:30 PM.

**Objective:**

The main objective of the alumni guest lecture on Employability Skills for the Future is to empower current students with the knowledge and insights required to thrive in a rapidly changing job market.

**Welcome Address:**

The event commenced promptly at 10:00 AM with a warm and engaging welcome address to all the audience by the Mr. D. Suresh, Assistant Professor, Department of CST, Madnapalle Institute of Technology and Science (MITS), Madanapalle. In his address, he highlighted the significance of the alumni guest lecture on employability skills for the future, emphasizing the importance of lifelong learning and professional development.

Following the welcome address, Resource Person: Mr. G. Chaithanya took the stage to deliver an enlightening lecture on Employability Skills for the future.

He started the session by extending his hearty thanks to the participants, organizing members, HoD, Principal and Management of Madanapalle Institute of Technology and Science (MITS), Madanapalle for giving opportunity to share his knowledge and experience in “Employability Skills for the Future”.

**The resource person delivered lecture on the following topics:**

1. **Importance of Lifelong Learning:** He emphasized the significance of continuous learning and adaptability to stay relevant in the job market.
2. **Soft Skills:** Discussed the crucial role of soft skills such as communication, teamwork, problem-solving and adaptability in today’s workplace.
3. **Technological Proficiency:** The lecture also focused on the necessity of being tech-savvy and how digital literacy is increasingly becoming a core employability skill.
4. **Networking:** He shared personal experiences and highlighted the importance of building a professional network to create opportunities for career advancement.
5. **Industry Insights:** The speaker provided insights into the specific requirements and trends within their industry, which was especially beneficial for students interested in pursuing a career in the same field.

**Take-away from the session:**

- The importance of adaptability and continuous learning in the face of rapid technological advancements.
- The value of cultivating softskills and emotional intelligence.
- The need to stay updated with industry trends and build a professional network.
- Students discussed strategies for effective networking and its impact on career advancement.

**Vote of Thanks:**

At 12:30 PM, the alumni guest lecture formally concluded with a vote of thanks delivered by **Mr. V. Naveen, Assistant Professor, Department of CST.** In his address, he expressed sincere gratitude to resource person for taking the time to share their expertise and inspire our students and promoting a culture of lifelong learning,
