Department of Computer Science & Technology, has initiated MoU with ExcelR Edtech Pvt. Ltd., Bengaluru, Karnataka

Madanapalle Institute of Technology & Science (MITS), Madanapalle signed on MoU with ExcelR Edtech Pvt. Ltd., Bengaluru, Karnataka.

Objectives of the MOU

Academic Collaboration: Facilitate academic collaboration through the integration of industry-relevant content, curricula, and training programs within MITS's educational framework.

Skill Enhancement: Empower students and professionals with advanced skills and knowledge in emerging technologies through specialized courses and certifications offered by ExcelR.

Research Initiatives: Promote joint research projects, workshops, and seminars that bridge the gap between academic knowledge and real-world application.

Internships and Placements: Facilitate internship opportunities for MITS students with ExcelR, enhancing their practical exposure and employability prospects.

Faculty Development: Offer opportunities for MITS faculty to stay updated on the latest industry trends, thereby improving the quality of education.

Key Activities

Curriculum Enhancement: Collaborate on updating and enhancing MITS's curriculum to include industry-relevant content and certifications in emerging technologies.

Training Programs: ExcelR will provide specialized training programs for MITS students and professionals in areas such as data science, machine learning, and artificial intelligence.

Research Collaboration: Foster research collaboration through joint projects, seminars, and workshops that bring together faculty, researchers, and industry experts.

Internship and Placement Opportunities: ExcelR will offer internship opportunities for MITS students, and both institutions will work together to connect students with relevant job placements.

Faculty Development Workshops: Conduct workshops and training sessions for MITS faculty to keep them updated on industry trends and tools.
