

**A Report on Parents Meeting**  
**Organized by Department of CST**  
**on 02.11.2023**

**Submitted by:**

**Mr. V. Naveen, Assistant Professor, Department of CST**

**Participants: II- & III-Year CST Students & Parents**

**WELCOME ADDRESS**

The Events Coordinator of the department **Mr. V Naveen, AP/CST, MITS** gave the welcome address by stating, "Education is a Partnership between parents, teachers and students lighting the path to a brighter future in unity we find strength and through collaboration we achieve excellence". As parents and teachers, we hold pen that writes the chapters of our children's lives. Good Communication between parents and teachers is essential for the success of our children. It is a great opportunity to know, to work for purification and modification of student performance and to ensure the best academic and non-academic performance of students. As parents and teachers, we share a common goal of helping our children reach their full potential.

In addition, he added up with academic achievements of CST department like Completion of around 600 internships in 2022-23 AY and completion of 414 internship in AY 2023-24 till now and NPTEL Certifications completion details like around 400 plus NPTEL certifications in various domain in AY 2022-2023 and around 828 NPTEL Certification exams where been now taken for this AY 2023-24 till now and 4 industrial visits been organized till now and around 180 students where benefitted with it. Regarding placements in AY 2022-23 around 85% of students received their placement offers from various companies. At the end, he once again welcomed all the parents of CST department students for this parents-teachers meet.

**ADDRESS BY HOD/CST**

**Dr.M.Sreedevi, HOD/CST** started her keynote address by saying greetings to the parents for their visit to this Parent - Teachers Meet 2023. She suggested many valuable inputs to the parents regarding the mentor and parent's interaction to enrich the potential of the students in terms of academic performance and co-curricular activities. Some points are listed out here,

1. Informed to every parent that, it is very essential and **compulsory to visit the department once in the semester** to know about the performance of the students.
2. Informed to every parent that **at least in a month to have a contact through call to mentor** and to discuss about the performance of the student if there are any issues.
3. Informed parents about the **formation of Research Clusters** with the faculty & students headed by **Dr.Basabi Chakraborty, Dean/School of Computers** to enrich their research skills.
4. Discussion on thoughts about **student's ideology of thinking coding as difficult domain and given remedial measures** to students to make it easier by knowing and learning the foundations of Programming language.
5. Informed parents about the **need of support and encouragement from the home** for the students to make their academics and future well.
6. Informed to parents about the **placement opportunities which are available in India and aboard**, and what type of trainings which his given by placement cell of MITS to grasp those opportunities. Given example as many students getting multiple offers in on campus drives by their hard work.
7. Informed every parent to **pay attention towards the mobile usage by their wards** during they are at home, instructed to question them about their usage of mobile unnecessarily.
8. Instructed the students **to use the Library very effectively to enrich the knowledge as well as to use the books for studying** while they prepare for exams and **insisted to avoid the habit of studying with notes PDFs in mobiles.**

## Parents Feedback & Suggestions

1. Parents felt that regarding private hostels it is somewhat comfortable and congested and suggested having a college hostel within the college premises.
2. Suggested the department to undertake the mobiles of the students during college hours.
3. Instead of PDFs as study materials suggested to refer hardcopy materials to reduce the usage of mobile phones.
4. Suggested to conduct more foreign language classes to enhance the skills of fluency in foreign languages. It may help them if they reach there for higher studies.
5. Suggested to organize industry-oriented workshops, needed more to enhance the interaction with industry people before placements.
6. Connectivity between subjects to subject to be identified with different platforms(suggestion given to use codetantra and other coding platforms)
7. Greetings have been given by parents to the department for following the Professional dress code for the students.

## Address by Academic coordinator

**Mr. K. Dinesh, AP/CST, Academic Coordinator of CST** department addressed to parents by sharing his own experiences during his college days about the saving of money which is the essential habit needed for this generation students have been strongly insisted by him. He added by suggesting every parent to discuss and spend some time with their wards to know about the current financial status of their family. Therefore, those wards may know the need of saving money for their future. He ended by thanking all the parents who came for this meet.

## Vote of Thanks

By the end of the session Mr. K. Bhanu Rajesh Naidu, Assistant Professor/CST, gave the vote of thanks by saying his sincere thanks for every parent who come forward to attend this parent's teachers meet organized by CST department by spending their valuable time towards enhancing the growth of their wards.
