## TO WHOM IT MAY CONCERN

( ) This is to certify that **Dayala harshitha**, a student of Computer science and technology at Madanapalle Institute of technology and science, has successfully completed a six-weeks internship at InternPro from **9/06/2025 to 21/07/2025**

During this internship, she worked in the capacity of an AI/ML Intern under the mentorship of Donesh Kumbhare. His/Her responsibilities included supporting internal IT operations, assisting with system maintenance, troubleshooting technical issues, and contributing to the enhancement of digital workflows within the organization.

Dayala harshitha demonstrated a solid understanding of technical concepts and applied them effectively in real-world situations. He/She consistently met project deadlines, actively participated in team meetings and discussions, and approached each task with enthusiasm and dedication. His/Her ability to learn quickly, solve problems efficiently, and work collaboratively with the team was commendable.

Throughout the internship, He/she maintained a high standard of professionalism and showed initiative in taking on new challenges. His/Her contribution added value to the projects he/she was involved in, and her positive attitude made his/her a reliable member of the team.

We sincerely appreciate his/her efforts and commitment during the internship period. We wish Dayala harshitha continued success in all his/her future academic and professional endeavors.

### TO WHOMSOEVER IT MAY CONCERN

Date: 31/07/2025  
Place: Hyderabad

This is to certify that **Patnam Thanuj** has successfully completed a 5-week internship program at Indrize Technologies Pvt Ltd, from 16/06/2025 to 26/07/2025, in the field of **Data Engineering (Azure)**.

During the internship period, **Patnam Thanuj** was assigned to our Data Engineering (Azure) team under the guidance of **Mr. Koppala Hemant**. The intern actively participated in several real-time projects and demonstrated enthusiasm, commitment, and a strong willingness to learn.

Key areas of involvement included:

- Designing and implementing basic **ETL** pipelines.
- Working with cloud-based platforms like **Azure Data Factory** and **Blob Storage**.
- Performing **data extraction, cleaning, and transformation** using **Python** and **SQL**.
- Understanding concepts of **data warehousing, pipeline orchestration, and workflow scheduling**.
- Collaborating with team members using **Agile** methodologies and tools like **Jira** and **Git**.

Throughout the internship, **Patnam Thanuj** displayed a keen interest in data architecture and analytics and was able to grasp concepts quickly and apply them in practical scenarios. The intern was punctual, responsible, and adhered to the organization's standards and ethics.

We appreciate **Patnam Thanuj's** contributions and wish them all the best in their future endeavors.
