Event Summary:

On August 30, 2024, the MITS Alumni Welfare Association and MITS IEEE Student Branch jointly organized a guest lecture on "Career Development Skills for Employability" in EB 212. The event aimed to provide students with valuable insights into the skills required for successful career development and enhanced employability in today's competitive job market.

Key Points Covered:

Introduction to Career Development

- Importance of continuous skill development
- Understanding current industry trends

Essential Employability Skills

- Technical skills specific to ECE
- Soft skills for professional growth
- Adaptability and learning agility

Job Market Insights

- Current trends in the ECE industry
- Emerging technologies and their impact on career opportunities

Networking and Personal Branding

- Leveraging alumni networks
- Building a strong online presence

Resume Building and Interview Preparation

- Crafting an effective resume
- Tips for successful job interviews

Q&A Session

- Interactive discussion addressing students' queries and concerns

Outcome and Feedback:

The guest lecture was well-received by the attendees, providing valuable insights into career development strategies. Students appreciated the practical advice and industry perspectives shared by Mr. P Jagadeeshwara. The event strengthened the connection between current students and alumni, fostering a supportive network for future career growth.

Conclusion:

This guest lecture served as an excellent platform for students to gain knowledge about career development and employability skills. The collaborative effort between the MITS Alumni Welfare Association and MITS IEEE Student Branch demonstrated the institution's commitment to supporting students in their professional journey.

Acknowledgments:

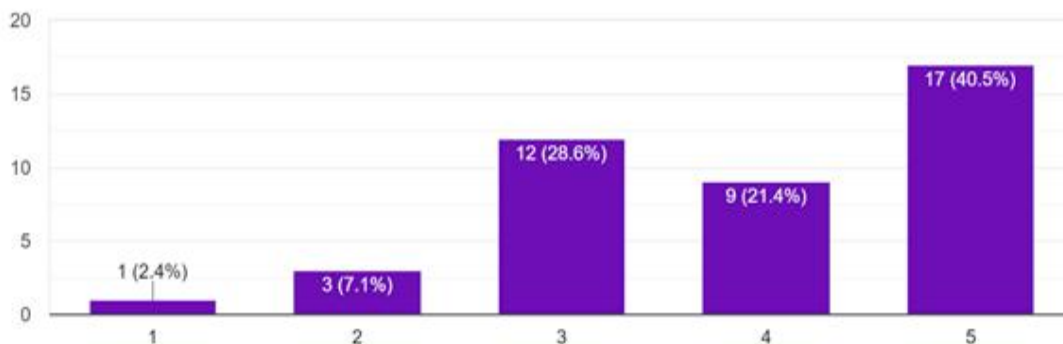

Special thanks to Mr. P Jagadeeshwara for sharing his expertise, and to Dr. S. Rajasekaran, Dr. R. Kiran Kumar, and Mr. G. Charan Kumar for their presence and support in organizing this enriching event.

Feedback from Students:

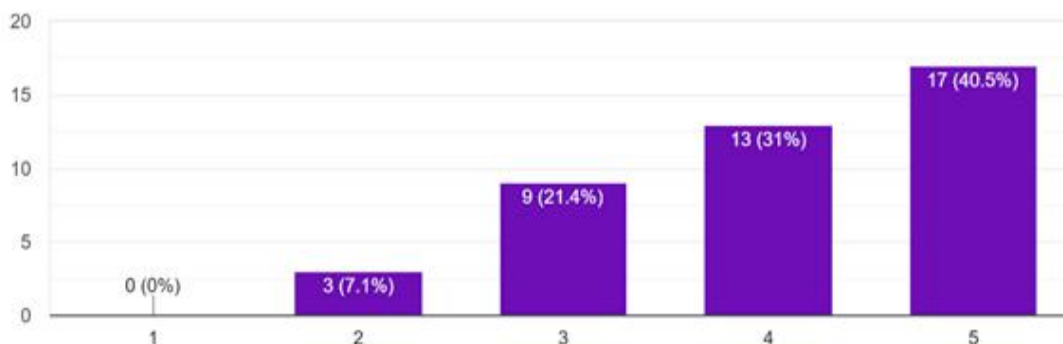

1. The interactive session was scheduled at a suitable time

42 responses

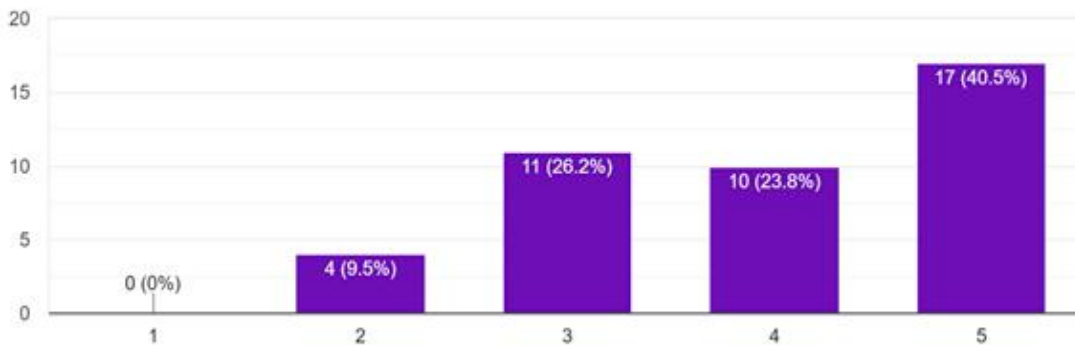

2. The interaction was useful and resource person explanation.

42 responses

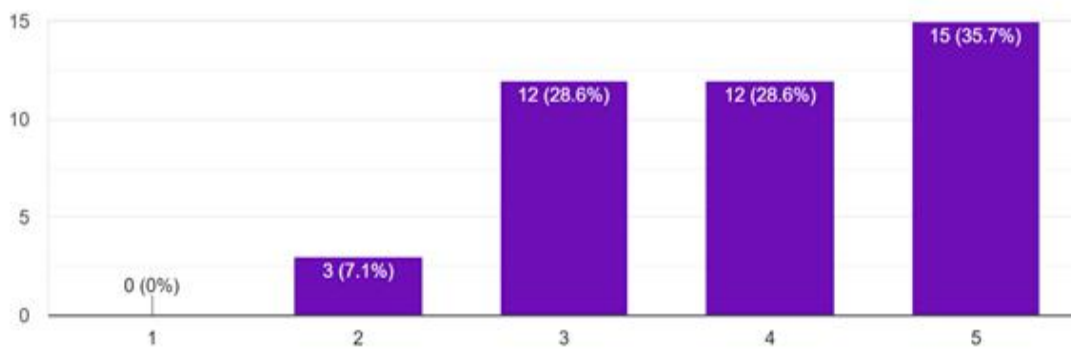

3. The information in the interaction was presented in a clear and organized manner.

42 responses

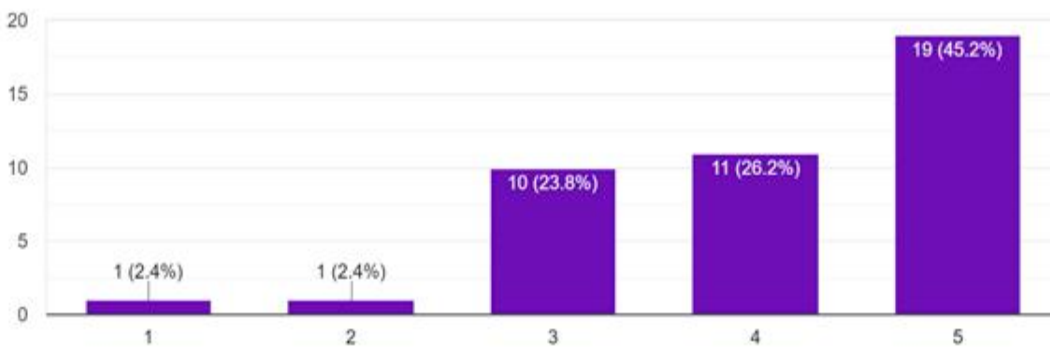

4. The presenter responded to questions an informative, appropriate and satisfactory manner.

42 responses

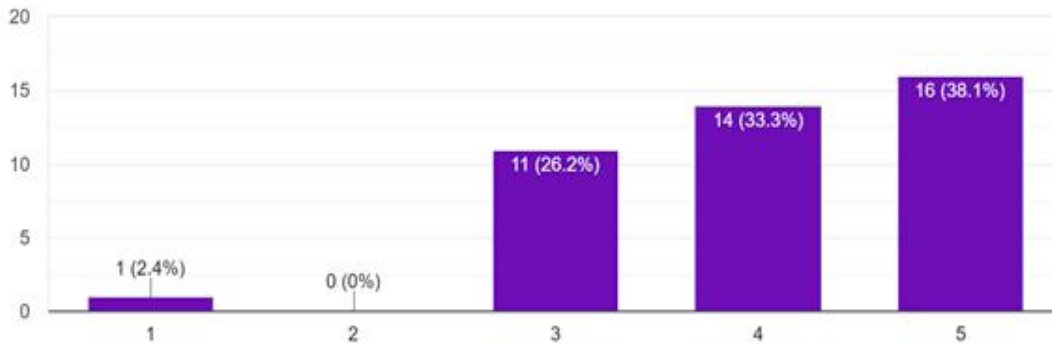

5. your impression of facilities provided by the institute for interaction.

42 responses

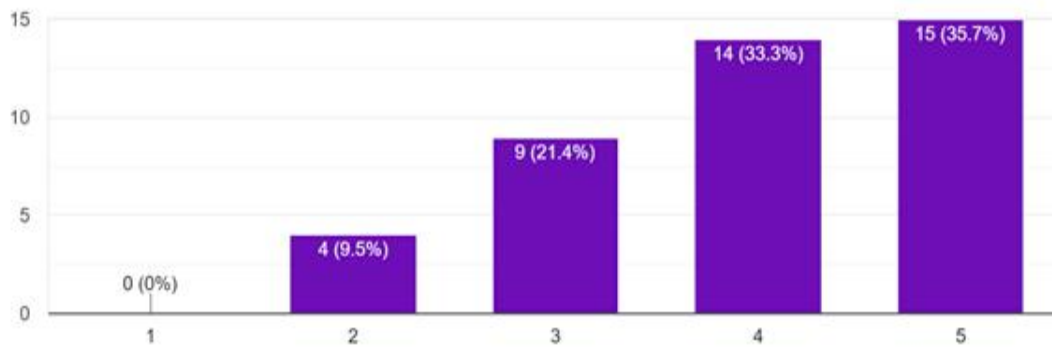

6. Overall, the session was informative and valuable.

42 responses

7. In what ways could this interaction have been improved to better suit your needs?

42 responses

8. Any Other Comments

21 responses
