

**A Report on Alumni Guest Lecture titled
"Carrer Guidance on Software Industry"**
Organised by **Department of Electronics & Communication Engineering**
in association with
MITS Alumni Welfare Association and MITS IEEE Student Chapter
on 29.08.2024

Submitted by: Mr. G. Charan Kumar, Assistant Professor & Alumni Coordinator, Department of ECE.

Resource Person Details: Mr. Manoj Kumar Reddy (Batch of 2017-2020), Oracle HCM Consultant, Vipra Infotech.

Attendance: 67 participants including faculty.

Venue: EB 212.

Report Received on 02.09.2024.

Mode of Conduct: Offline.

Key Attendees:

1. Dr. Rajasekaran - Head of Department, ECE
2. Dr. R. Kiran Kumar - Alumni Relations Officer and Coordinator
3. Mr. G. Charan Kumar - Alumni Coordinator, Department of ECE

The Department of Electronics and Communication Engineering (ECE) at MITS, in collaboration with the MITS Alumni Welfare Association and the MITS IEEE Student Chapter, organized a guest lecture on the software industry. The event aimed to provide students with insights into the current trends and opportunities in the field.

Event Highlights:

Welcome Address: The event began with a warm welcome to the guest speaker and attendees by Dr. Rajasekaran, HOD of ECE.

Introduction of the Speaker: Mr. G. Charan Kumar introduced Mr. Manoj Kumar Reddy, highlighting his achievements since graduating from MITS.

Guest Lecture:

Mr. Manoj Kumar Reddy shared his experiences and insights on:

- Current trends in the software industry
- The role of Oracle HCM in modern businesses
- Skills required for success in the tech sector
- His journey from MITS to becoming an Oracle HCM Consultant

Q&A Session: Students actively participated in a Q&A session, seeking advice on career paths and industry preparation.

Networking: Post-lecture, students had the opportunity to interact with the speaker and faculty members.

Program Outcomes:

Industry Exposure: Students gained valuable insights into the current software industry landscape, particularly in Oracle HCM consulting.

Career Guidance: The speaker provided practical advice on career planning and skill development for aspiring software professionals.

Alumni Connection: The event strengthened the bond between current students and alumni, fostering a sense of community and mentorship.

Practical Knowledge: Students learned about real-world applications of concepts they study in their ECE curriculum.

Motivation: The success story of a recent alumna inspired students to set high goals for their own careers.

Networking Opportunities: Students had the chance to build professional connections with the speaker and other industry professionals present.

IEEE Chapter Engagement: The event boosted student participation in IEEE activities and highlighted the benefits of professional society membership.

Conclusion:

The alumni guest lecture was a resounding success, providing students with valuable industry insights and motivation. The event exemplified the commitment of MITS to bridging the gap between academia and industry, preparing students for successful careers in the rapidly evolving tech sector.

Dr. R. Kiran Kumar, the Alumni Relations Officer, expressed gratitude to Mr. Manoj Kumar Reddy for sharing his expertise and to all attendees for their active participation. The department looks forward to organizing more such events to benefit the student community.

Feedback from Students:

1. The interactive session was scheduled at a suitable time
28 responses

2. The interaction was useful and resource person explanation.
28 responses

3. The information in the interaction was presented in a clear and organized manner.
28 responses

4. The presenter responded to questions in an informative, appropriate and satisfactory manner.

28 responses

5. your impression of facilities provided by the institute for interaction.

28 responses

6. Overall, the session was informative and valuable.

28 responses

7. In what ways could this interaction have been improved to better suit your needs?

28 responses

8. Any Other Comments
