Report Submitted by: **Mr. G. Charan Kumar Assistant Professor & Alumni Coordinator Department of ECE.**

Report Received on **07.04.2026.**

Mode of Conduct: **Offline**

The **Department of Electronics and Communication Engineering (ECE)**, in association with the **Alumni Welfare Association**, organized an **Alumni Talk** titled **“Circuit of Success: Building Your ECE Career”** on **16th March 2026** from **10:00 AM to 12:30 PM**

The program was conducted to provide students with valuable insights into career opportunities, industry expectations, and professional growth in the field of Electronics and Communication Engineering. The event witnessed enthusiastic participation from faculty members and students of the department.

The session began with a **welcome address by Mr. G. Charan Kumar, Assistant Professor and Alumni Coordinator Department of ECE**, who warmly welcomed the dignitaries, alumni speakers, faculty members, and students. He highlighted the importance of alumni interaction in guiding students toward successful career paths.

The program was graced by the presence of **Dr. Sanjay Kumar C Gowre, Professor and Head, Department of ECE** and **Dr. G. Naga Swetha, Assistant Professor and Alumni Relation Officer, Department of ECE.**

The distinguished alumni speaker for the session was **Ms. Nisha Rani, Lead Technology Consultant at Rockwell Automation Pvt. Ltd.** She shared their professional journeys, experiences in the industry, and the challenges they faced while building their careers.

Ms. Nisha Rani discussed the opportunities available for ECE graduates in the automation and technology sectors. She emphasized the importance of practical knowledge, communication skills, and staying updated with emerging technologies such as automation, IoT, and industrial systems.

The speaker motivated students by sharing real-life experiences and providing guidance on how to prepare for placements, pursue higher studies, and build a successful career in the ECE field. The interactive session allowed students to clarify their doubts and gain valuable career advice.

Dr. G. Naga Swetha, Alumni Relation Officer, proposed the vote of thanks. She expressed sincere gratitude to:

- **Dr. N. Vijaya Bhaskar Choudary**, Founder & Chancellor for his continuous support in fostering a strong alumni ecosystem and promoting lifelong association with the University.
- **Shri. N. Dwarakanath**, Pro Chancellor for providing excellent facilities and continuous support.
- **Mrs. Keerthi Nadella**, Executive Director for spearheading student upskilling, leadership development, and holistic growth initiatives. For upgrading the students
- **Dr. C. Yuvaraj**, Vice Chancellor (In-charge), for his visionary leadership, strategic guidance, and unwavering support towards the progress of the University.
- **Dr. D. Pradeep Kumar**, Registrar (In-charge), for administrative support and coordination
- **Dr. P. Ramanathan**, Principal, for encouraging such career development initiatives
- **Dr. D. Dipankar Roy**, Dean, School of Engineering, for his guidance and support
- **Dr. Rama S. Komaragiri**, Professor and Dean-Academics, for promoting academic excellence
- **Dr. Sanjay Kumar C. Gowre**, Professor & Head of Department, ECE, for his constant encouragement and departmental leadership
- **Ms. Nisha Rani**, Lead Technology consultant **Rockwell Automation Pvt Ltd** for delivering an insightful and inspiring session. Her valuable perspectives on industry practices, emerging technologies, and career opportunities have greatly enriched our knowledge and motivated our students to align their skills with industry expectations.
- **Faculty members** of the ECE department for their support in organizing the event
- **Students** for their enthusiastic participation and engagement

Program Outcomes

1. Students gained awareness about various career opportunities available for ECE graduates in industry and technology sectors.
2. Students understood the importance of analytical thinking, technical skills, and continuous learning for career growth.
3. The session motivated students to prepare for industry challenges and develop professional competencies.
4. Strengthened the connection between alumni and the institution, encouraging mentorship and guidance for students.
5. Students received practical insights into industry expectations and career planning strategies.
