Department of Electronics & Communication Engineering

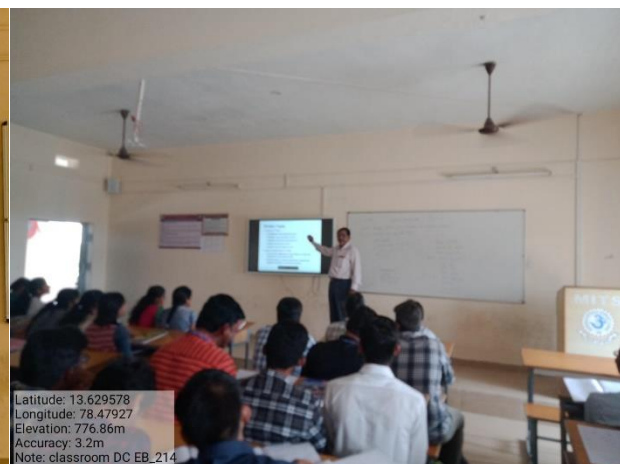

Classroom

Department Infrastructure

To facilitate effectual teaching and learning activities, the department has excellent infrastructure, which includes:

- Air-conditioned seminar hall
- State-of-the-art digital classroom
- All IT enabled classrooms
- Classrooms with sound systems
- Well-equipped laboratories
- Continuously upgraded computer facilities
- Well-stocked Department library
- Research Labs

The department has ample labs, even beyond curriculum requirements, which are used by students from all years of study. The labs are allotted to the students for every week as per the timetable. Apart from the regular labs, research lab is also available for faculties and students to carry out their research and project work. The maintenance of infrastructure and facilities at the department is carried out in a timely and thorough manner to ensure maximum availability and minimum downtime of the equipment and services. All the lab facilities and services are made available to the students even in the after-hours and holidays to enable their maximum utilization and benefit to the students.
