Organized by Department of Electronics and Communication Engineering
In Association with Alumni Welfare Association (AWA)
II-Year ECE Induction Program
From Campus to Corporate: Skills Every Engineering Student Must Develop

Resource person
MANOJ KUMAR SODA
Director - Sales & Strategic Partner Alliance
Bangalore

Date : 17.07.2026 Time : 10:30AM to 4:00 PM
Venue : Seminar Hall - B

Chief Patron: Dr. N. Vijaya Bhaskar Choudhary, Ph.D., Founder & Chancellor
Patron: Mrs. Keerthi Nandela, S.M. N. Desai Kanakath, Pro Chancellor
Program Chair: Dr. C. Yashwanth, Vice-Chancellor (L&J)
Co-Chair: Dr. D. Pradeep Kumar, Registrar (L&J)
Co-Chair: Dr. P. Ramamurthy, Principal

Convenor(s): Dr. Dipankar Ray, Dr. Sanjay Kumar C. Gowre, Professor & Head, School of Engineering
Alumni Relations Officer: Dr. G. Naga Swetha, Assistant Professor, Department of ECE
Coordinator(s): Dr. Jammoni Banthi, Assistant Professor, Department of ECE; Dr. Simadri Badalya, Assistant Professor, Department of ECE; Dr. S. K. Nural Islam, Assistant Professor, Department of ECE; Mr. G. Charan Kumar, Assistant Professor, Department of ECE

Report Submitted by Mr. G Charan Kumar Assistant Professor and Alumni Coordinator Department of ECE
Mode of Conduct: Offline
Report Received on 29.07.2026.

The Department of Electronics and Communication Engineering (ECE), MITS Madanapalle Institute of Technology & Science (Deemed to be University), in association with the Alumni Welfare Association (AWA), successfully organized the II-Year ECE Induction Program titled "From Campus to Corporate: Skills Every Engineering Student Must Develop" on 17th July 2026 from 10:30 AM to 4:00 PM at Seminar Hall – B.

Welcome Address

Dr. Sanjay Kumar C. Gowre, Professor & Head, Department of Electronics and Communication Engineering, warmly welcomed the distinguished resource person, university dignitaries, faculty members, and II-Year ECE students to the **II-Year ECE Induction Program** titled "From Campus to Corporate: Skills Every Engineering Student Must Develop." He highlighted the significance of induction programs in preparing students for the transition from academic learning to professional careers.

In his address, Dr. Sanjay Kumar C. Gowre emphasized that the second year of engineering is a crucial phase for building strong technical fundamentals, developing practical skills, and cultivating professional ethics. He encouraged students to make the best use of the opportunities provided by the department, including industry interactions, internships, workshops, technical clubs, certifications, and alumni engagement programs. He also stressed the importance of communication skills, teamwork, innovation, and continuous learning in achieving success in the rapidly evolving engineering industry.

He extended a special welcome to **Mr. Manoj Kumar Soda, Director – Sales & Strategic Partner Alliance, Bangalore**, and expressed gratitude for accepting the invitation to share his valuable industry experience and career guidance with the students. Dr. Sanjay Kumar C. Gowre conveyed his appreciation to the **Alumni Welfare Association (AWA)** for its continued support in organizing such student-centric programs that bridge the gap between academia and industry. He concluded his welcome address by encouraging the students to actively participate in the sessions, interact with the resource person, and utilize the insights gained from the program to prepare themselves for successful careers in engineering and technology.

Dr. Vijayakumar Natesan, Assistant Professor & Head, Department of Civil Engineering, warmly welcomed the distinguished resource person, university dignitaries, faculty members, alumni representatives, and students to the program. In his address, he emphasized the importance of such induction and career-oriented sessions in shaping students' professional outlook and preparing them for the challenges of the engineering industry.

He highlighted that engineering education extends beyond classroom learning and requires students to develop strong technical knowledge, effective communication skills, leadership qualities, teamwork, and a commitment to continuous learning. He encouraged the students to make the most of the opportunities provided through industry interactions, alumni engagements, internships, workshops, and skill development programs organized by the institution.

Dr. Manavaalan Gunasekaran, Associate Professor & Head, Department of Electrical and Electronics Engineering (EEE), warmly welcomed the distinguished resource person, university dignitaries, faculty members, and students to the **II-Year ECE Induction Program** titled **"From Campus to Corporate: Skills Every Engineering Student Must Develop."** He emphasized that such induction programs play a vital role in preparing students for the challenges and opportunities of the engineering profession by connecting academic learning with industry expectations.

In his address, Dr. Manavaalan Gunasekaran highlighted the importance of developing a strong foundation in technical knowledge while simultaneously enhancing communication skills, critical thinking, teamwork, leadership, and professional ethics. He encouraged students to actively engage in workshops, internships, certification programs, innovation projects, and industry interactions to strengthen their employability and prepare for successful careers in the rapidly evolving technology sector.

Dr. S. Baskaran, Associate Professor & Head, Department of Mechanical Engineering, warmly welcomed the distinguished resource person, university dignitaries, faculty members, alumni representatives, and students to the **II-Year ECE Induction Program** titled **"From Campus to Corporate: Skills Every Engineering Student Must Develop."**

In his welcome address, Dr. S. Baskaran emphasized the importance of developing a strong foundation in both technical knowledge and professional skills to meet the demands of today's rapidly evolving engineering industry. He noted that engineering education extends beyond classroom learning and requires students to cultivate critical thinking, innovation, teamwork, communication, leadership, and problem-solving abilities.

The program was organized to familiarize second-year ECE students with the skills, mindset, and professional competencies required to excel in today's competitive engineering and corporate environment. The session aimed to bridge the gap between academic learning and industry expectations by providing practical insights into career development.

The keynote session was delivered by **Mr. Manoj Kumar Soda, Director – Sales & Strategic Partner Alliance, Bangalore**. Drawing from his extensive industry experience, he emphasized the importance of developing both technical expertise and essential employability skills. He highlighted that success in the corporate world depends not only on academic excellence but also on communication skills, leadership qualities, teamwork, adaptability, problem-solving ability, and continuous learning.

During his address, Mr. Manoj Kumar Soda discussed the evolving technology landscape and encouraged students to focus on emerging domains such as Artificial Intelligence, VLSI, Embedded Systems, IoT, Data Analytics, and Communication

Technologies. He advised students to actively participate in internships, industry certifications, technical projects, hackathons, and professional networking opportunities to enhance their career prospects. He also shared practical strategies for preparing effective resumes, performing well in interviews, and building a strong professional profile.

The resource person motivated students to maintain a growth mindset, improve their interpersonal and presentation skills, and remain updated with industry trends. The interactive session allowed students to clarify their doubts regarding career planning, higher education opportunities, corporate expectations, and placement preparation.

The event was conducted under the guidance of the university leadership. **Dr. N. Vijaya Bhaskar Choudary**, Founder & Chancellor, served as the **Chief Patron**. **Mrs. Keerthi Nadella**, Executive Director, and **Sri. N. Dwarakanath**, Pro Chancellor, were the **Patrons**. **Dr. C. Yuvaraj**, Vice-Chancellor (I/c), served as the **Program Chair**, while **Dr. D. Pradeep Kumar**, Registrar (I/c), and **Dr. P. Ramanathan**, Principal, served as the **Co-Chairs**.

The program was convened by **Dr. Dipankar Roy**, Professor & Dean, School of Engineering, and **Dr. Sanjay Kumar C. Gowre**, Professor & Head, Department of ECE. The event was coordinated by **Dr. G. Naga Swetha**, Assistant Professor & Alumni Relations Officer, along with **Dr. Janmoni Borah**, **Dr. Simadri Badatya**, **Dr. S. K. Nurul Islam**, and **Mr. G. Charan Kumar**, Assistant Professors, Department of ECE.

The II-Year ECE Induction Program proved to be highly informative and inspiring. Students gained valuable knowledge about the transition from campus to corporate life and understood the significance of technical competence, professional ethics, communication, and lifelong learning. The program concluded with positive feedback from the participants, who appreciated the practical insights and career guidance shared by the resource person.
