

**A Report on Alumni Guest Lecture on**  
**“Higher Education opportunities in Taiwan”**  
**Organized by Department of Electronics & Communication Engineering**  
**In Association with MITS Alumni Welfare Association**  
**on 23.01.2026**

**Report Submitted by: Mr. G. Charan Kumar Assistant Professor & Alumni Coordinator Department of Electronics & Communication Engineering.**

**Attended Count: 70 II Year C Section & III-Year C Section Students**

**Timings and Venue: 1:00 PM to 3:00 PM and Seminar Hall–A.**

**Mode of Conduct: Offline**

**Report Received on 09.02.2026.**

An Alumni Guest Lecture on “Higher Education Opportunities in Taiwan” was successfully organized by the Department of Electronics and Communication Engineering (ECE), MITS Deemed to be University, in association with the MITS Alumni Welfare Association (AWA) on 23 January 2026. The event was conducted from 1:00 PM to 3:00 PM at Seminar Hall–A.

The program commenced with a **welcome address by Dr. S. Rajasekaran**, Professor & Head of the Department of ECE, who emphasized the importance of international exposure and global academic opportunities for students. He highlighted how alumni interactions play a vital role in motivating students toward higher education and research-oriented careers.

The session was graced by **Dr. G. Naga Swetha**, Assistant Professor & Alumni Relation Officer, and **Mrs. U. Vijay Lakshmi**, Senior Manager – International Relations & Institute Counsellor, who encouraged students to explore overseas education and make informed academic choices. Mrs. U. Vijay Lakshmi shared valuable insights on international collaborations, counselling support, and the role of the institution in guiding students toward global opportunities.

The resource person, **Dr. Umeshwar Reddy Nallasani** (Batch 2015–2019), Completed **PhD in Electro physics** at **National Yang Ming Chiao Tung University, Taiwan**, delivered an informative and inspiring lecture. He elaborated on

**higher education prospects in Taiwan**, covering **top universities**, **internship opportunities**, **scholarships**, and **MS and PhD programs** available for international students.

He also explained the application procedures, eligibility criteria, research facilities, and career advantages of pursuing higher studies in Taiwan. The session was highly interactive, with students actively participating and seeking clarification on academic pathways and funding opportunities.

Dr. Umeshwar Reddy Nallasani expressed his **heartfelt gratitude** to the **Management of MITS Deemed to be University**, Chancellor, Pro-Chancellor, Executive Director, Vice Chancellor, Principal and HOD ECE and the faculty members of ECE for providing him the platform to interact with students and share his academic journey.

**Dr. G. Naga Swetha**, Assistant Professor & Alumni Relation Officer, appreciated the alumni initiative and expressed her thoughts on the continuous support and vision of the **Management of MITS Deemed to be University** in promoting academic excellence and global exposure among students.

### Program Outcomes

- Students gained awareness of **higher education opportunities in Taiwan**.
- Improved understanding of **scholarships, internships, MS, and PhD programs**.
- Enhanced motivation among students to pursue **international education and research**.
- Strengthened **alumni-institution interaction** and academic networking.
- Encouraged students to plan early for **global academic and career pathways**.

Dr. G. Naga Swetha, Alumni Relation Officer, proposed the vote of thanks. She expressed sincere gratitude to:

- **Dr. N. Vijaya Bhaskar Choudary**, Founder & Chancellor for his continuous support in fostering a strong alumni ecosystem and promoting lifelong association with the University.
- **Shri. N. Dwarakanath**, Pro Chancellor for providing excellent facilities and continuous support.
- **Mrs. Keerthi Nadella**, Executive Director for spearheading student upskilling, leadership development, and holistic growth initiatives. For upgrading the students
- **Dr. C. Yuvaraj**, Vice Chancellor (In-charge), for his visionary leadership, strategic guidance, and unwavering support towards the progress of the University.
- **Dr. D. Pradeep Kumar**, Registrar (In-charge), for administrative support and coordination
- **Dr. P. Ramanathan**, Principal, for encouraging such career development initiatives
- **Dr. D. Dipankar Roy**, Dean, School of Engineering, for his guidance and support
- **Dr. Rama S. Komaragiri**, Professor and Dean-Academics, for promoting academic excellence
- **Dr. S. Rajasekaran**, Head of Department, ECE, for his constant encouragement and departmental leadership
- **Dr. Umeshwar Reddy Nallasani** has shared his valuable experience about the Electro Physics
- **Faculty members** of the ECE department for their support in organizing the event
- **Students** for their enthusiastic participation and engagement
- 

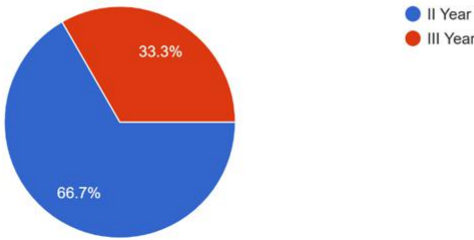

She acknowledged the management of MITS Deemed to be University for providing the platform and resources necessary for organizing such beneficial programs that contribute significantly to student career development.

Feedback from the Students

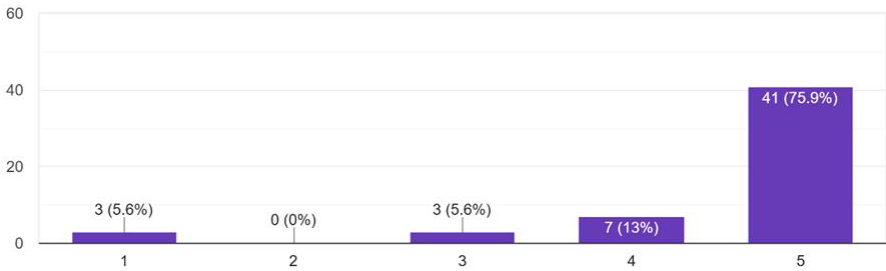

Year

54 responses

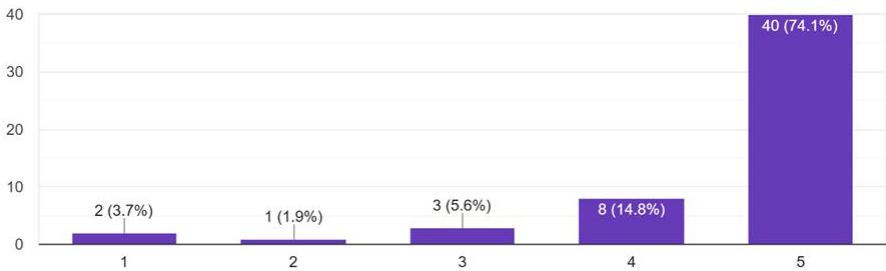

1. The resource person explained the concepts clearly.

54 responses
