Department of ECE organised a **Parents-Teachers Meeting** in MITS-Seminar Hall-A on October 29th ,2024 from 10:30 am to 12:30 pm.

**Objective of the Event:**

Parent-teacher meetings at the college level are essential for building strong communication and collaboration between parents and teachers. These meetings offer a valuable space to discuss a student's academic performance, behaviour, and any challenges they may face during college. By addressing these areas, parents and faculty can work together to support the student's growth and career development. The main purpose of these meetings is to foster a positive relationship among parents, teachers, and students. This partnership benefits the student by guiding their academic and career path while also enhancing the overall progress of the department, creating a more supportive and effective educational environment for everyone involved.

**Dignitaries present:**

- Dr. S. Rajasekaran, Prof & Head-Department of Electronics and Communication Engineering, Madanapalle Institute of Technology & Science, Madanapalle.

## Program Details:

It sounds like the program had a well-structured and informative inauguration ceremony. The inclusion of various speakers and topics covered during the event indicates a comprehensive approach to engaging parents and providing them with a deeper understanding of the department and its offerings. Here's a breakdown of the key elements mentioned:

### Welcome Note:
