A Report on
Inaugural Ceremony of "IETE Student Forum (ISF)"
on 24.01.2025

Submitted by Dr. R Saravanakumar, IETE Coordinator, IETE Student Forum, Assistant Professor, Department of EEE, MITS.

Chief Guest Details: Dr.D. Vijendra Babu, EC member, IETE Chennai Centre, Assistant Professor (Sr. Grade 2), Department of Embedded Technology, School of Electronics Engineering, Vellore Institute of Technology, Vellore.

Attendance: 494 Participants

Venue: Auditorium

Mode of Conduct: Offline

Objective: The objective of the Inaugural Ceremony of this "IETE Student Forum" is to signify the official establishment of the forum and set the tone for its activities and mission. The key objective is to formally launch the IETE Student Forum at MITS, acknowledging it as an official student organization within the institution. The primary goal is to familiarize students and faculty with the IETE Student forum, highlighting the advantages of membership and involvement in forum activities. MITS aims to motivate students to actively engage in EEE, ECE and CST and various related fields by showcasing the opportunities and accomplishments within IETE. Additionally, MITS seeks to provide a platform for students to connect with like-minded peers who share a passion for Electronics and Telecommunication fields. The program began at 10:00 am with a warm introduction welcomed the Chief Guest, Principal, HoD, Vice-Principals, faculty members, and students.

All esteemed guests and dignitaries are cordially invited to Lighting the Lamp. After that Dr A V Pavan Kumar Hod/EEE given welcome address and said IETE student forum fosters growth, innovation, and collaboration in technology and engineering. It is where ideas are shared, skills are honored, and visions are transformed into reality. In a world where technology is ever evolving, it is crucial that we, as future engineers, and technologists, stay ahead of the curve. That is exactly what the IETE student forum aims to achieve.

He said the vision is to make our forum a hub of innovation and learning. Together, we will work towards organizing workshops, seminars, and hands-on sessions to ensure that every member gets the chance to enhance their technical skills and industry readiness. We will invite thought leaders and professionals to share their insights, creating an environment where learning goes beyond textbooks and into real-world applications. Finally, he thanks everyone for providing this wonderful opportunity. Dr.S. Rajasekaran, HoD/ECE, provided information about the IETE and its benefits of becoming a member of IETE and introduced the office barriers to the gathering. Then he said, I encourage everyone to participate actively in the events going to be organized in the upcoming day and collectively share the ideas and do collaborative projects to inculcate the habituation of working as a team. The strength of this forum lies in the collective passion and creativity of its members. Whether you are a new student just beginning to explore your interests, there is something here for everyone. Finally, he thanks everyone for providing this wonderful opportunity.

Dr. C. Yuvaraj, Principal, MITS, shared his views about IETE student forum. He conveyed about Institution profile and achievements and Professional bodies in the college. He congratulated all the student members of 494 who have taken membership and he felt very happy for huge memberships. He said our chapter believes strongly in nurturing leadership and teamwork. College will provide platforms for you to take the lead, showcase your talents, and learn the skills that are crucial in today's competitive world. He said IETE is not just about technical proficiency,it is about being well-rounded, innovative thinkers which can make an impact in their career. Lastly, he said build bridges between students, college and industries. The future of engineering and technology depends on how well we can collaborate, communicate, and create together. Finally, he congratulated all the students and conveyed his sincere thanks to the Chief Guest Dr.D. Vijendra babu sir for spending his valuable time for this inauguration.

Chief Guest Dr.D. Vijendra babu, shared IETE student forum is a thriving community that cultivates growth, fosters innovation, and promotes collaboration in the fields of telecommunication and engineering. It will serve as a platform where ideas are exchanged, skills are refined, and ambitious visions are turned into tangible realities. In today's rapidly evolving technological landscape, it is imperative for students, as aspiring engineers and technologists, to stay at the forefront of advancements. Finally, he congratulates all the students for actively participating in this event.

Vote of Thanks:

The session was concluded by a vote of thanks, given by Dr.K. Dinseh, HoD/CST, MITS, express the heartfelt gratitude to the Esteemed chief guest taking his time out of his busy schedule to grace the occasion, also thank our beloved Principal Dr. C. Yuvaraj sir for embracing the event. Thanked esteemed vice principals, HODs all departments, faculty coordinators of IETE.He thanks the organizing committee and fellow students of IETE, technical team who worked tirelessly by behind scene to ensure this event runs smoothly without any discrepancy. At last, thanks all the students for being part of this event.
