**Mode of Conduct: Offline Mode**

**Date: 06.02.2025**

**Time: 10:00 AM to 04:00 PM**

### **Introduction:**

On February 06, Thursday 2025, the Department of Electrical & Electronics Engineering (EEE) in collaboration with the Industry Institute Interaction Cell (IIC) hosted an offline Company Visit towards “The internship and Placement for students” at Sricity, Tada, Andhra Pradesh. The company visited by Dr. K. Lakshmikhandan and Mr. B. Karthick, Assistant Professors in the Department of EEE, MITS, Madanapalle.

The company visit started on 06.02.2025 at 6AM from Angallu, Madanapalle and we interacted many companies HR's for the internship and Placement activity for our college students. So, we started with introduction about MITS College, Dept. of EEE and its curriculum and the opportunities present in our institute with our students who have done mini projects like Electrical cycles, Electrical Tricycles, Mini - Drones, etc. Then we have visited the place for the product manufacturing and we were explained about the resource required for the expansion of the company. We also addressed the significant careers in doing the Internships as per the JNTUA curriculum and the advantages of doing internship in a company because further it will make the students to be adapted to industry environment and which will make the students skilled as per the company requirements.

### **Program Outcomes:**

The company visit proved to be an enriching experience for betterment of the students. The following outcomes are to be achieved:

1. Various company HR's will be visiting our college for internship and placements in the upcoming weeks.
2. Some of the companies visiting our college campus in the upcoming weeks are as follows.
  - Blue Star AC Manufacturing Company
  - TATA Electronics iPhone Manufacturing Company
  - MMD Heavy Machineries India Pvt. Ltd.
  - Daikin Pvt. Ltd.
  - Havells India Ltd.
  - Toray Industries Pvt. Ltd.
  - Kalis Sparkling Water Ltd.

## Conclusion:

The faculties finally explained the present scenario of the skilled students for the upcoming Placements which will fulfil the various needs of the companies through student's recruitment of internship and placements.

## Vote of Thanks:

On behalf of Department of EEE, MITS, we would like to extend our heartfelt gratitude to our esteemed Management - MITS Madanapalle, Principal Dr. C. Yuvaraj, Vice Principal (Academics) Dr. P. Ramanathan, Vice Principal (Administration) Dr. C. Kamal Basha and Dr. A. V. Pavan Kumar, HOD of EEE department, for guiding us to share the idea of this companies visit for the betterment of students which will shape the future of our EEE department students in a better way through Internships and Placements.

Finally, the visit was concluded followed by a heartfelt thanks by Dr. K. Lakshmikhandan and Mr. B. Karthick by thanking the department colleagues, the students and all those who have been involved directly or indirectly for making this Company Visit a grand success in a useful manner.
