Report

Alumni Guest Lecture

on

''Opportunities Available for Students in SAP especially in ABAP Technology''

Organised by

Department of Electrical & Electronics Engineering

Date: 29.05.2023

Organized in association with: EEE Department and MITSWA, MITS Madanapalle

Submitted by: Mr. S Bharath Kumar, Assistant Professor, Alumni Coordinator in Dept. of EEE.

Attendance: 55 participants (Internal) and 3 Faculties

Venue: Digital class room (WB117)

The program is started at 9.10 AM to 10.30 AM with a welcome address to all the audience by the Mr. S Bharath Kumar, Assistant Professor, EEE, MITS, Madanapalle. The alumni **Mr. Gurunath Kumar, Team Lead in IBM Bangalore** was introduced by Department Alumni Coordinator

Introduction:

Mr. S Bharath kumar Alumni coordinator introduced the Alumni Mr. Gurunath Kumar who hailed from the same department of EEE, MITS as a student in 2004-2008 batch. Also emphasised on the career of Mr. Gurunath has vast experience in SAP frame work for about 14 years in various MNCs like IBM, HP, TCS etc. Also asked the students to utilise this opportunity for their best to interact with the Alumnus. Then the Guest Lecture was welcomed

The alumni lecture was following as:

Mr. Gurunath firstly motivated the III-year students to have three main qualities to prove themselves to withstand the competitive world, firstly he encouraged the students to be expressive of their knowledge and interact with their team in the company

Secondly, He encouraged the students to be flexible to the work and to have an extended attitude to help the team and asked them to never back off when there is a need to go an extra mile to do the tasks for the team they work

Finally, Mr. Gurunath emphasised on the concept and habit of Life-Long learning which keeps the students ahead of their time and to achieve greater success in their career.

Alumni advised the students how the balance the work as well as the life by giving few tips and bits of the hacks

After delivering the initial motivational speech then the Guest moved to the presentation with the help of SMART Board

Main Presentation:

Our Alumni Guest Lecture was on SAP frame work used in the automation of almost all the business, started with the importance of SAP and the job security that the SAP gives to the employees, He went on to say that no employee faced the job cuts in SAP during covid times

Then He emphasised on SAP ABAP technical knowledge which is "ABAP stands for Advanced Business Application Programming language. It is an interpreted programming language that runs in the SAP ABAP Runtime environment. ABAP is the language for programming the SAP Application Server, part of its NetWeaver platform. for building business applications."

Briefly explained where SAP is used in a practically by using the Flow chart by taking the Manufacturing sector and Banking sector as examples and clearly explained how the frame work solves the problems in communication and gives the exact information which is needed by every end user and also to the production and management side

Prerequisite for learning SAP is self- motivation along with some coding knowledge of C, SQL query language and some tools of automation etc.

Mr. Gurunath opened the presentation to show in how many departments are in sink with the SAP and how it communicates to each other and be very accurate and precise in giving information that is needed by company as well as the end users.

He also discussed about the challenges that are in SAP and future scope in this field.

Student Interaction:

Opportunity was well grabbed by the students of III-year EEE, they asked relevant questions and quenched the thirst for knowledge. Alumni also extended the help by giving the contact number of his to clear the doubts of the students when they were studying

Vote of Thanks:

Department Alumni Coordinator Mr. S Bharath Kumar thanked the Management, Principal and Vice-Principals also the HOD of EEE Dept. for giving the permission to conduct this event. Special thanks to Dr. Kamal Basha sir is conveyed as with out his support this event would not have happened.

Also thanked the Alumni Guest lecture for coming down to campus and delivering the Guest Lecture for the students of EEE. More of such visits are requested by the Dept and Guest Lecture was ended with a high note.
