**REPORT ON 3<sup>rd</sup> International Conference on  
ADVANCED SPORTS SCIENCE & INTELLIGENCE PERFORMANCE  
TECHNOLOGIES (IC- ASSIPT – 2026)  
ORGANISED BY SRMIST CHENNAI  
ON 27<sup>th</sup> & 28<sup>th</sup> MARCH 2026  
(SPORTINTEL 2026)**

**Submitted by: Dr.C. DAMODHARAN, Physical Director,  
Department of Physical Education.**

The 3rd International Conference on Advanced Sports Science & Intelligence Performance Technologies (SPORTINTEL 2026) was organized by **SRM Institute of Science and Technology (SRM University), Chennai on 27th and 28th March 2026**. The conference served as a global platform for academicians, researchers, and professionals to exchange knowledge and present innovative research in the field of sports science and intelligent performance technologies.

The primary objectives of the conference were:

- To promote research and innovation in sports science and technology
- To provide an international platform for knowledge sharing
- To integrate modern technologies such as artificial intelligence and data analytics in sports performance
- To enhance interdisciplinary collaboration among researchers and practitioners

The conference witnessed participation from a large number of:

- Researchers and academicians
- Sports scientists and physical education professionals
- Industry experts and students

Numerous research papers were presented in both **online and offline modes**, covering diverse areas of sports science, biomechanics, fitness, and performance analysis. Dr. C. Damodharan, Physical Director from **MITS (Deemed to be University), Madanapalle**, actively participated in the conference and presented a research paper in the **Physical Education TOPIC ON Role of physical education and sports sciences in promoting physical fitness health wellness and life long active lifestyles** in this category (offline mode).

The research presentation was well-received by the panel of experts and participants. Based on the quality, relevance, and presentation of the research work, **Dr. C. Damodharan secured the 3rd place** in the Physical Education paper presentation category.

In recognition of this achievement:

- Dr. C. Damodharan was awarded a **medal and certificate**
- The award was presented by the
- **Dr. T. Mythili Additional Registrar (MSL) of SRM Institute of Science and Technology** during the valedictory session

This accomplishment highlights the academic excellence and research contribution of MITS in the field of physical education and sports sciences.

## Conference Highlights

- Keynote speeches by eminent national and international experts
- Technical sessions on sports science and performance technologies
- Paper presentations in various domains
- Interactive discussions and networking opportunities
- Recognition and awards for outstanding research contributions

The participation in SPORTINTEL 2026 was highly beneficial and enriching. The conference provided an excellent opportunity to gain insights into the latest developments in sports science and to interact with experts from across the globe.

The achievement of securing **3rd place in the Physical Education paper presentation** adds significant value to the academic and professional profile of

Dr C. Damodharan and brings recognition to **MITS- UNIVERSITY, Madanapalle.**

## MITS Physical Director excels at international level in SPORTINTEL 2026 organized by SRM

**Madanapalle, April 03 (Skyline daily):** Dr C Damodaran, Physical Director of MITS (Madanapalle Institute of Technology & Science) Deemed to be University near Madanapalle, has excelled at international level, said the university's Vice Chancellor Dr C Yuvaraj. At the 3rd International Conference-Advanced Sports Science and Intelligence Performance Technologies (SPORTINTEL 2026) organized by SRM Institute of Science and Technology in Chennai, Dr C Damodaran presented his research paper on "Role of Physical Education and Sports Sciences-Health, Fitness and Active Lifestyle Throughout Life" and was awarded the bronze medal for third position in the

Physical Education category, he said. Academicians, researchers and sports experts from all over the world participated in this conference and shared their research papers on modern technologies like sports science, artificial intelligence and data analytics. On this occasion, Dr T Maithili, Additional Registrar, SRM University, presented the bronze medal and certificate. Dr C Damodaran, who excelled in this international conference, was congratulated by MITS Founder and Chancellor Dr N Vijaya Bhaskar Chowdhary, Pro Chancellor N Dwarkanath, Executive Director Kirti Nadella, Vice Chancellor Dr C Yuvaraj and faculty.

I would like to express my sincere gratitude to the Management for their continuous support and encouragement in facilitating my participation in the 3rd International Conference on Advanced Sports Science & Intelligence Performance Technologies, organized by SRM Institute of Science and Technology, Chennai. Their motivation and guidance played a significant role in enabling me to present my research paper successfully.
