Research proposal/ funding

Research and teaching go hand in hand in all academic institutes of excellence. It helps improving the quality and standards of imparting engineering education in the country. Through various research activities, an institute can be branded positively.

The following are to be carried out in research activities:

- Publications of research papers in conferences
- Publications of research papers in reputed journals
- Research proposals and funding

SOP

- There should be a target for publishing a research paper by the faculty members.
- A faculty must be provided with some benefits from the institute.
- A faculty or the team of faculty members can submit their proposal based on their research interest.
- Research proposal will help to get funds from funding agencies.
- Apply for project/ workshop/ seminar/ FDP proposal as per the instruction given by the funding agencies
- Get approval from HOD & Principal
- Budget allocation
- Details of resource persons must be submitted

Magazine/newsletter

A magazine and Newsletter is a publication, usually a periodical publication, which is printed or electronically published (sometimes referred to as an online magazine). Magazines are generally published on a regular schedule and contain a variety of content. They have variety of information about the institute. Through the magazines the qualities such as teaching learning process, laboratory facilities, co-curricular activities carried out, student participation in various events, prize winners etc.

All faculty can be allotted for this

- All the faculty must furnish the details to the HoD periodically
- All the details must be verified by the head
- Newsletter can be published once in a semester and magazine can be published once in a year.
- A copy of periodicals must be kept in all the departments.

C. Focusing on public relation (Industry and foreign professor connect)

The main objective of focusing on public relation is to make our students industry ready and get placed in core based companies. Each department in the institute involves in the industry connect based on their discipline.

- Identification of core industries
- Make a contact over phone or email and ask for industrial visit, in-plant training, internship and guest lectures.
- It will help the students to project them and it will help for better placement.

Performance of the faculty

Faculty members play an extraordinary part in the lives of students for the formative years of their development and the importance of faculties is something that cannot be understated. They involve themselves in molding their students into responsible citizens of their country.

Faculty members should involve in various activities so that they can contribute to the development of institution.

D. Performance of the students

Performance of the student in co-curricular & extra-curricular activities to be highlighted.
