

ACADEMIC AUDIT PROCESS

Objective:

- ❖ Academic Audit helps the department identify its strengths, weaknesses, opportunities, and challenges (SWOC)
- ❖ It provides direction for the enhancement of the department.

- IQAC conducts Academic Audits with a peer team every academic year
- Audit reports and observations are sent to the respective departments

Department Action Plan on Recommendations/Observations is submitted to IQAC

Continuous Improvements in Parameters

Submitted by Departments to IQAC

Biannual Self-Evaluation Document (B-SED)

Outcome:

- ❖ Academic Audit ensures that the department's overall performance is quantified.
- ❖ It helps the department to focus on its weaknesses for continuous improvement, having been morally uplifted by the identified strengths
