

Awareness Quiz on Sustainable Development Goals (SDGs)

Organized by

Institutional SDG Cell, Madanapalle Institute of Technology & Science (MITS) Deemed to be University

Objective:

The primary objective of this activity was to assess and enhance the basic understanding of Sustainable Development Goals (SDGs) among students and faculty, and to promote awareness on global challenges such as sustainability, climate change, social equity, and responsible development.

Description of the Activity:

As part of institutional sustainability initiatives, an online SDG Awareness Quiz was conducted for students and faculty members. The quiz covered fundamental concepts related to sustainability, environmental responsibility, and global development frameworks. Participants were encouraged to actively engage and demonstrate their awareness of SDGs.

The activity witnessed good participation across departments, reflecting growing awareness and interest in sustainability-related topics within the institution.

Outcomes / Key Findings:

- Improved awareness of SDG concepts among participants
- Identification of knowledge gaps for further training programs
- Enhanced engagement in sustainability-related initiatives
- Strengthened institutional commitment towards SDG integration

Impact:

The quiz contributed to fostering a culture of sustainability and responsible thinking among stakeholders. It also supported the institution's efforts in integrating SDG awareness into academic and co-curricular activities.

SDG Mapping:

This activity contributes to the following Sustainable Development Goals:

- **SDG 4** – Quality Education
- **SDG 12** – Responsible Consumption and Production
- **SDG 13** – Climate Action
- **SDG 17** – Partnerships for the Goals

Participation Details:

- Target Audience: Students and Faculty
