Dear Sathesh K,

We are delighted to inform you that on **18 June 2025 00:01 BST**, Madanapalle Institute of Technology and Science will be ranked in the 2025 *Times Higher Education* Impact Rankings.

Please note that this information is subject to a **strict worldwide embargo until 18 June 2025 00:01 BST**, and is not for publication or distribution before then.

The Impact Rankings tables in which Madanapalle Institute of Technology and Science will be included depends on the data provided during the submission process. The university will be included in the overall ranking if it submitted data against SDG17 and at least 3 other SDGs, as per our criteria.

A university's total score in a given year is calculated by combining its score in SDG 17 with its top three scores out of the remaining SDGs. The score for the overall ranking is an average of the last two year's total scores.
