Resource Person Details: Sri. Sudhakar Babu Mylavarapu, CMO, G – Power Energy & Technology Pvt. ltd, Chennai
Time: 11:00 AM to 12:00 PM
Venue: Auditorium
Mode of Conduct: Offline
Report Received on 08.04.2026.

Industry Talks are an integral part of management education, as they effectively bridge the divide between academic learning and practical business realities. These sessions provide MBA students with meaningful exposure to current industry trends, real-world managerial challenges, and emerging technologies, thereby enhancing their employability and overall professional competence. Interaction with industry experts enables students to translate theoretical knowledge into practice, develop industry-relevant skills, and gain a clearer understanding of corporate expectations and work environments.

Recognizing this importance, the School of Management at Madanapalle Institute of Technology & Science (MITS) consistently organizes industry talks aimed at promoting experiential learning and equipping students with practical insights essential for their managerial careers

In line with this objective, the School of Management organized an Industry Talk on "Beyond Limits: Life Lessons for Success, Balance and the Happiness" for I MBA students on 04th April 2026 from 11:00 AM to 12:00 PM at Auditorium. The session *"*Beyond Limits: Life Lessons for Success, Balance and the Happiness*"* emphasizes the need for holistic development by encouraging students to achieve professional success while maintaining personal well-being and balance. It highlights the importance of resilience, self-awareness, and meaningful goal setting in today's demanding environment

The session was started by Mr. Lokesh Kumar of I MBA inviting the dignitaries, faculty and students for the session. Dr. Tulasiram Naidu, Chief Advisor, R&D, Consultancy addressed the students thanked the resource person for his valuable time in addressing the students.

Sri. Sudhakar Babu Mylavarapu, CMO, G – Power Energy & Technology pvt ltd, Chennai was invited as the resource person for the industry talk, who shared his vast experience and practical insights regarding how to achieve success along with balancing both personal life and professional life.

Objective of the event

The programme *"*Beyond Limits: Life Lessons for Success, Balance and the Happiness*"* aims to develop a growth mindset among students, enabling them to overcome challenges and adapt to changing environments. It focuses on fostering resilience, positive attitude, and self-awareness while encouraging students to balance professional ambitions with personal well-being. Additionally, the programme seeks to instill values of perseverance, purposeful living, and continuous effort, helping students achieve sustainable success and overall happiness.

Highlights of the Session

During the session, the resource person delivered an engaging and thought-provoking talk on the theme "Beyond Limits: Life Lessons for Success, Balance and Happiness." The session focused on personal growth, mindset transformation, and the importance of leading a balanced and purposeful life. Drawing from real-life experiences, the speaker emphasized that success is not merely defined by achievements but also by inner happiness, resilience, and the ability to adapt to life's challenges. The discussion encouraged students to rethink their approach towards success, failures, and overall well-being. The following are the some of the highlighted points during his presentation

- Emphasis on developing a growth mindset instead of a fixed mindset to embrace learning and continuous improvement.
- Importance of letting go of things beyond one's control and focusing on actions that can be managed effectively.
- True happiness lies in helping others and contributing to society, rather than only pursuing personal gains.
- Encouragement to avoid dwelling on past losses or failures and instead focus on future opportunities.
- Highlighted that attitude plays a crucial role in shaping one's future and overall success.
- Stressed that stepping out of the comfort zone is essential for growth and achievement.
- Reinforced that there are no shortcuts to success, and consistent hard work is the key to long-term accomplishments.
- Also mentioned how to survive in this Liberalization, Privatization, Globalization and Digitalization era which is very difficult but possible

Addressing the MBA students, the speaker highlighted the importance of maintaining a balance between professional ambitions and personal well-being. He encouraged students to cultivate self-discipline, emotional intelligence, and a positive outlook to navigate the complexities of modern life and careers. The session also underlined the significance of resilience, adaptability, and continuous self-improvement in achieving sustainable success and happiness.
The session witnessed active participation from students, who engaged in meaningful discussions and reflected on their personal and professional goals. The interactive nature of the session enabled students to connect theoretical learning with real-life experiences, leaving them motivated to adopt a more balanced, purposeful, and growth-oriented approach towards life and career.

Upon the successful completion of the resource person's insightful presentation, Dr. Bhanu Sree Reddy, Dean, School of Management, expressed her sincere appreciation and gratitude to the speaker for delivering an enriching and thought-provoking session. She acknowledged the valuable insights shared and highlighted the relevance of the session in shaping students' perspectives on success, balance, and personal growth, while also appreciating the speaker's efforts in engaging the students effectively.

Overall, the session on *"*Beyond Limits: Life Lessons for Success, Balance and the Happiness*"* effectively enriched students' perspectives by connecting personal development with professional success, thereby reinforcing MITS's commitment to holistic management education. The programme concluded with a Vote of Thanks delivered by Ms.Jashrita, who expressed sincere gratitude to the resource person, coordinators, faculty members, and participants for their valuable contributions and for making the session a meaningful and successful learning experience.

The event was coordinated by Dr. K. Venkateswarlu, Assistant Professor Department of MBA. All faculty members of the School of Management participated in the session and took part in the discussions, which helped in strengthening industry–academia interaction.

Outcome of the event

The session *"*Beyond Limits: Life Lessons for Success, Balance and the Happiness*"* resulted in a positive impact on students by enhancing their awareness of the importance of a growth mindset, resilience, and work–life balance. It enabled students to gain practical insights into managing challenges, developing a positive attitude, and aligning personal values with professional goals and how to achieve them. The programme also motivated students to focus on continuous self-improvement, emotional well-being, and purposeful living, thereby contributing to their overall personal and professional development. Approximately 105 students participated in the session and were greatly benefitted from the insights and experiences shared by the resource person.
