Madanapalle Institute of Technology & Science

(Deemed to be University under Section 3 of UGC Act, 1956)

<DQ/>

MEMORANDUM OF UNDERSTANDING (MoU)

Between

Madanapalle Institute of Technology & Science (deemed-to-be) University
Madanapalle, Andhra Pradesh, India. (A Deemed-to-be University offering Engineering, Management, MCA, and M. Tech and Ph.D. programs)

and

DataQuotes Edutech Private Limited, Tirupati, Andhra Pradesh, India-517501

1. PREAMBLE

This Memorandum of Understanding (MoU) is entered into on the date of signature below between **Madanapalle Institute of Technology & Science (deemed-to-be) University, Madanapalle, Andhra Pradesh, India-517325**, a premier academic institution offering Engineering (B.Tech), Management (MBA), Master of Computer Applications (MCA), and Master of Technology (M.Tech) programs and Ph.D. programs with research and consultancy mandates, and **DataQuotes Edutech Private Limited, Tirupati, Andhra Pradesh, India-517501**.

2. PURPOSE OF THE MoU

MTS Deemed to be University, in collaboration with **DataQuotes Edutech Pvt. Ltd.**, aims to provide its finest students with internship opportunities and full-time employment, based on merit, skill evaluation, and the successful completion of the interview process conducted by DataQuotes Edutech Pvt. Ltd.

3. SCOPE & KEY COLLABORATION AREAS:

The scope and key collaboration shall include, but not be limited to, the following:

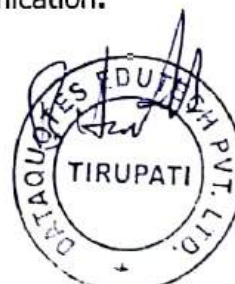

- Conducting skill development workshops, certification programs, and seminars.
- Providing technical training in emerging domains.
- Supporting student-led projects and research initiatives.
- Facilitating industrial exposure through expert talks and visits.
- Sharing knowledge, resources, and best practices beneficial to both parties.

4. ROLES & RESPONSIBILITIES

4.1 MITS shall:

- Provide access to eligible students.
- Facilitate infrastructure for programs.
- Coordinate student participation and communication.

(Deemed to be University)
Madanapalle - 517 325, A.P. India

4.2 DataQuotes Edutech Pvt. Ltd. shall:

- Conduct training programs and career readiness activities.
- Provide guidance through industry experts.
- Offer internship and employment opportunities based on merit.
- Support academic exposure in technology areas such as Data Science, AI, Cloud, Management courses (Power BI, Excel and Business Analyst), Cybersecurity & Software Development.

5. Internship & Employment Clause

Both **MITS Deemed to be University** and **DataQuotes Edutech Pvt. Ltd** agree to strengthen student's industry readiness through structured opportunities:

5.1 Internships

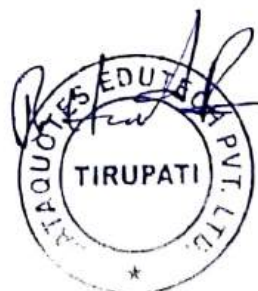

- DataQuotes shall offer **paid internships** (onsite and/or virtual) to eligible MITS students with a minimum commitment of at least one internship batch per academic year, subject to company requirements and operational feasibility.
- The **stipend structure for the internship shall be fixed**, performance-based, or as per DataQuotes' prevailing internship policy, and the same shall be communicated to selected students prior to commencement of the internship.
- The duration of the internship **shall be three (3) months**, unless otherwise specified by DataQuotes in writing for a particular batch or program.
- Internship domains may include AI, Data Science, Software Development, Digital Technologies, Sales, Finance and related areas.
- Selection will follow the company's internal screening process.
- Completion certificates shall be issued to students who fulfill internship requirements.

5.2 Employability & Placement Support

DataQuotes will consider MITS students for **full-time employment**, subject to performance and organizational needs.

- DataQuotes may, at its sole discretion, consider eligible and high-performing students of MITS for employment opportunities arising within the organization, subject to business requirements and availability of suitable roles.
- Such consideration for employment, if any, shall be purely merit-based and may be subject to additional assessments, interviews, background verification, and internal selection procedures of DataQuotes.
- Nothing in this MoU shall be construed as a guarantee or assurance of employment to any student participating in internships, training programs, or other collaborative activities under this agreement.

DEAN
School of Management
MITS Deemed to be University
(Deemed to be University)
TIRUPATI - 517 325, A.P. India

- MITS acknowledges that employment decisions rest exclusively with DataQuotes, and participation in an internship or training program does not create any employer–employee relationship unless a formal offer of employment is issued in writing by DataQuotes.
- DataQuotes may also provide placement assistance, including career guidance, interview preparation, or referral to suitable opportunities, as deemed appropriate.

MITS will support the placement process by providing student data, venue (if required), and coordination support.

6. Duration of Collaboration

This MoU is valid for **three (3) years** unless terminated with prior written notice.

7. Confidentiality

Both parties shall ensure confidentiality of shared academic, student or business information.

8. Limitation

This MoU does not create a joint venture or financial obligation unless officially documented.

9. Termination

Either **MITS Deemed to be University** and **DataQuotes** may terminate with **30 days written notice**.

10. General Terms

This MoU is a statement of intent and **does not create any legal or financial obligations**. Both parties shall resolve disputes amicably through mutual discussions. Amendments to this MoU shall be made only with written consent from both parties.
