Time: 11:00 AM to 1: 00 PM
Venue: Seminar Hall-B
Mode of Conduct: Offline
Report Received on 29.12.2025.

The Department of Management Studies organized a guest lecture on “Entrepreneurship in India: Opportunities and Challenges for Young Minds” for the students of MBA. Dr. Krishna Reddy Chittedi, Associate Professor, School of Economics, University of Hyderabad, was invited as the resource person to deliver the lecture. Dr. Krishna Reddy Chittedi has extensive experience in economics and entrepreneurship studies and shared valuable insights on entrepreneurship opportunities in India.

The session began with an introduction of the resource person by Dr. Kolati Yeliyya, Assistant Professor, Department of Management Studies. Dr. P. Ramanathan, Principal, addressed the audience and emphasized the importance of understanding entrepreneurial opportunities and challenges for career development. Finally, Dr. Bhanusree Reddy, Professor & Dean, School of Management, conveyed her sincere appreciation to the guest for accepting the invitation to deliver the lecture and officially handed over the session to the resource person. The program was initiated with a welcome note highlighting the relevance of entrepreneurship in contemporary India.

Topics Covered in the Session

Introduction to Entrepreneurship in India:

The resource person introduced students to the concept of entrepreneurship and its significance in the Indian economy. He highlighted current trends in startups and government initiatives supporting young entrepreneurs.

Opportunities and Challenges for Young Minds:

Dr. Krishna Reddy Chittedi elaborated on the various opportunities available for young entrepreneurs in India, including technology startups, social enterprises, and sustainable business models. He also discussed challenges such as market competition, funding constraints, regulatory hurdles, and risk management.

Skills and Mindset for Entrepreneurship:

The lecture emphasized the importance of innovation, creativity, leadership, and strategic decision-making for successful entrepreneurship. Students were advised on developing critical thinking, networking, and financial planning skills.

Relevance for MBA Students:

The session highlighted how MBA students can leverage their management knowledge to identify business opportunities, design business plans, and make informed decisions. The resource person also discussed how entrepreneurship can complement managerial skills and enhance career prospects.

Interaction and Q&A Session

After the lecture, students actively participated in a question-and-answer session, where they raised queries regarding startup funding, business ideas, market research, and entrepreneurship challenges. Dr. Krishna Reddy Chittedi provided practical suggestions and real-world examples to clarify students' doubts.

Conclusion and Felicitation

The session concluded with the felicitation of the resource person by Dr. P. Ramanathan, Principal, Dr. Bhanusree Reddy, Professor & Dean, School of Management, and Dr. Kolati Yeliyya, Assistant Professor, School of Management. The resource person expressed his gratitude to the institution for providing an opportunity to interact with and share his insights with the students.

Outcome of the Session

- The lecture helped students understand the opportunities and challenges of entrepreneurship in India.
- Students gained insights into startup trends, government initiatives, and skills required to become successful entrepreneurs.
- The session encouraged students to develop an entrepreneurial mindset and explore potential business opportunities.
