Surviving and thriving in the corporate world can be challenging, but with the right mindset and strategies, you can navigate your way to success. In this context, an alumni guest session has been organized on 19.10.2024 for II MBA students of MITS College from 12 PM to 1 PM in KKB lecture hall (KKB 207). Ms. Jayashree R, Sales Manager, Star Health Insurance pvt ltd, Bangalore has addressed the students on the topic "Health insurance sector: career opportunities".

The session started with introducing Ms. Jayashree R, Sales manager, Star health insurance pvt ltd to the students by Alumni coordinator Dr. K. Venkateswarlu.

In the guest lecture, the following points were discussed –

1. What is Insurance?
2. What is a requirement of Insurance?
3. What is General Insurance and Life Insurance?
4. Different categories of General Insurance- a. Health b. Vehicle c. others
5. Social & family Security & Health Insurance for primary health care services, secondary health care services, tertiary health care services.
6. Need for health insurance and opportunities available in this sector

She emphasized job opportunities in claims management, underwriting, relationship management, agency management and other job opportunities available in insurance particularly health insurance sector. She has also covered some practical scenarios related to health insurance and how to handle them. She also explained the basic function on health insurance company.

It was a very good learning experience. The lecture helped them in the understanding of different laws applicable to it along with opportunities. It was a very informative and interactive session. Total 50 students actively participated and got benefited from the session.

The session ended with vote of thanks by Dr. K. Venkateswarlu, Alumni coordinator and Assistant professor, Department of Management Studies.
