Mode of Conduct: Offline

Report Received on 22.10.2024

Madanapalle Institute of Technology & Science, has organized re-inaugural Ceremony of "ISTE Student Chapter" on 19-10-2023 (Saturday).

Objective:

The objective of the Inaugural Ceremony of this "ISTE Student Chapter" is to signify the official establishment of the chapter and set the tone for its activities and mission. The key objective is to formally launch the ISTE Student Chapter at MITS, acknowledging it as an official student organization within the institution.

The primary goal is to familiarize students and faculty with the ISTE Student Chapter, highlighting the advantages of membership and involvement in chapter activities. MITS aim to motivate students to actively engage in Computer Science, Information Technology, and various related fields by showcasing the opportunities and accomplishments within ISTE. Additionally, MITS seeks to provide a platform for students to connect with like-minded peers who share a passion for computing and technology.

The program began at 10:30 am with a warm introduction by Ms. P. Meghana, Treasurer of the ISTE Student Chapter. She welcomed the Chief Guest, Principal, HOD, Vice-Principals, faculty members, and students.

All esteemed guests and dignitaries are cordially invited to Lighting the Lamp. After that Ms. P. Meghana, Treasurer of the ISTE Student Chapter, has extended an invitation S Tabrez Basha, ISTE Student Chapter Chair of MITS, to deliver the welcome note at the Inaugural Ceremony. He said ISTE student chapter fosters growth, innovation, and collaboration in technology and engineering. It is where ideas are shared, skills are honed, and visions are transformed into reality. In a world where technology is ever evolving, it is crucial that we, as future engineers, and technologists, stay ahead of the curve. That is exactly what the ISTE student chapter aims to achieve.

He said the vision as the chairperson is to make our chapter a hub of innovation and learning. Together, we will work towards organizing workshops, seminars, and hands-on sessions to ensure that every member gets the chance to enhance their technical skills and industry readiness. We will invite thought leaders and professionals to share their insights, creating an environment where learning goes beyond textbooks and into real-world applications. Finally he thank everyone for providing this wonderful opportunity.

Dr. K Sree Divya, ISTE coordinator, provided information about the ISTE and its benefits of becoming a member of ISTE and introduced the office barriers to the gathering. Then she said, I encourage everyone to participate actively in the events going to be organized in the upcoming day and collectively share the ideas and do collaborative projects to inculcate the habituation of working as a team. The strength of this chapter lies in the collective passion and creativity of its members. Whether you are a new student just beginning to explore your interests, there is something here for everyone. Finally, she thanks everyone for providing this wonderful opportunity.

Dr. C. Yuvaraj, Principal, MITS, shared his views about ISTE student chapter. He conveyed about Institution profile and achievements and Professional bodies in the college. He congratulated all the student members of 1065 who have taken membership and he felt very happy for huge

memberships. He said our chapter believes strongly in nurturing leadership and teamwork. College will provide platforms for you to take the lead, showcase your talents, and learn the skills that are crucial in today's competitive world. He said ISTE is not just about technical proficiency—it is about being well-rounded, innovative thinkers which can make an impact in their career. Lastly, he said build bridges between students, college and industries. The future of engineering and technology depends on how well we can collaborate, communicate, and create together. Finally, he congratulated all the students and conveyed his sincere thanks to the Chief Guest Prof. B. Eswara Reddy sir for spending his valuable time for this inauguration.

Chief Guest Prof. B. Eswara Reddy, Secretary-cum- Treasurer Indian Society for Technical Education (ISTE), AP Section, JNTUA Anantapuramu, shared information about the Indian Society for Technical Education as it is a national, professional, non-profit making Society registered under the Societies Registration Act of 1860. He said in 1968 "Indian Society for Technical Education" was started with a view to enlarge its activities to advance the cause of technological education. The major objective of the ISTE is to assist and contribute in the production and development of top-quality professional engineers and technicians needed by the industries and other organizations. He said, ISTE student chapter is a thriving community that cultivates growth, fosters innovation, and promotes collaboration in the fields of technology and engineering. It will serve as a platform where ideas are exchanged, skills are refined, and ambitious visions are turned into tangible realities. In today's rapidly evolving technological landscape, it is imperative for students, as aspiring engineers and technologists, to stay at the forefront of advancements. Finally, he congratulates all the students for actively participating in this event.

Inaugural moment of the “ISTE STUDENT CHAPTER” AND Distribution of ISTE Membership cards.

Vote of Thanks:

The session was concluded by a vote of thanks, given by Ms. S. Shazia, ISTE Student Member, MITS. She express the heartfelt gratitude to the Esteemed chief guest Prof. B. Eswar Reddy sir, taking his time out of his busy schedule to grace the occasion, she also thank our beloved Principal Dr. C.Yuvaraj sir for embracing the event. She thanked esteemed vice principals, HODs all departments, faculty coordinators of ISTE. She thank the organizing committee and fellow students of ISTE, technical team who worked tirelessly by behind scene to ensure this event runs smoothly without any discrepancy. At last she thanks all the student for being part of this event.
