School of Management
on 03.01.2026.

Report Submitted by: Dr. E. Gnanaprasuna Assistant Professor, School of Management

Participants: 88 parents

Mode of Conduct: Offline

Date & Venue: 03 January 2026, from 10:00 AM to 1:00 PM at Auditorium.

Report Received on 12.01.2026.

The School of Management successfully organized the **Parents-Teachers Conclave 2026** for the parents of I Year I Semester MBA students of the 2025–

The conclave was conducted with the objective of strengthening the triadic relationship among parents, faculty members, and students, thereby fostering a supportive academic ecosystem for holistic student development. The conclave commenced with a warm welcome address, which emphasized the importance of parental involvement in management education.

The event formally began with a prayer song and lighting of the lamp, symbolizing an auspicious start.

Dr. K. Yeliyya Class Teacher - A Section briefed the parents about the department, highlighting the **institution's vision and mission, academic rigor, mentoring system, co-curricular and extracurricular activities, internship opportunities, and placement support**. This session helped the parents gain a comprehensive understanding of the department's academic practices and student development initiatives.

The session was addressed by **Prof. D. Bhunu Sree Reddy**, Professor and Dean – School of Management, who elaborated on the significance of management education in shaping future leaders. She emphasized the development of managerial skills, leadership qualities, teamwork, and the importance of effective communication among MBA students. The Dean also highlighted the role of experiential learning, internships, industry exposure, and skill-oriented training in enhancing students' employability and career readiness.

Prof. Sremmant Basu, Professor & Dean-Administration, IR & UGC Affairs emphasized that management education is a transformative phase in students' lives, during which values, attitudes, and leadership qualities are shaped. He encouraged students to make informed career choices, continuously upgrade their skills, and remain adaptable to changing industry demands. He also advised parents to support their wards in identifying their strengths and aligning them with suitable career paths.

Dr. P. Ramanathan, Principal, addressed the gathering and emphasized the importance of discipline, academic commitment, and continuous learning in management education. He highlighted the role of parents as partners in the educational journey and encouraged students to make effective use of institutional resources to achieve academic excellence and professional competence.

Dr. D. Pradeep Kumar, Registrar (I/C), posed a few **thought-provoking questions** to both **students and parents** regarding academic commitment and study habits. This interactive approach encouraged reflection, active participation, and a better understanding of the shared responsibility in supporting students' academic progress.

An interactive session followed, where parents and students actively engaged with faculty members, discussing academic progress and career planning. The session fostered mutual understanding and strengthened trust among parents, faculty, and the institution.

The programme concluded with a **vote of thanks proposed by Dr. A. V. V. Subba Rao** Class Teacher - B Section who expressed sincere gratitude to the management, dignitaries, parents, faculty members, and organizing committee for their active participation and support, which contributed to the successful conduct of the Parents-Teachers Conclave 2026. **After the vote of thanks, lunch was served.**

Overall, the Parents-Teachers Conclave 2026 served as an effective platform for interaction and collaboration, reinforcing the institution's commitment to **student-centric education and academic excellence**.
