## Alumni student interaction on

### “CAREER GUIDANCE & RESUME PREPARATION”

Organized by

Department of Mechanical Engineering

31.08.2023

Report Submitted by: Muthulakshmanan, Assistant Professor, Alumni Coordinator in Dept. of ME.

**Speaker : Mr. Draveen Kumar,**

**Venue: Digital classroom (WB103)**

**Attendance: 60 participants (Internal) and 3 Faculties**

The event commenced from 2:10 PM , featuring a warm welcome to the audience by Mr. Muthulakshmanan, Assistant Professor at MITS, Madanapalle, Department of Mechanical Engineering. Additionally, the Department Alumni Coordinator introduced **Mr. Draveen Kumar**, an alumni and SOFTWARE PROGRAM ANALYST at COGNIZANT PRIVATE LIMITED , Bengaluru.

#### **Introduction:**

During the introduction segment, Mr. Muthulakshmanan, the Alumni Coordinator, proudly presented Mr. Draveen Kumar, an esteemed alumnus of the ME department at MITS, who graduated in the 2019-2023 batch. Mr. Muthulakshmanan highlighted Mr. Draveen Kumar's impressive career, boasting the extensive experience in SOFTWARE ANALYST in esteemed multinational corporations. He encouraged the students to make the most of this unique opportunity to engage with the alumnus. Following this introduction, the stage was set to welcome the Guest Lecture.

The alumni lecture unfolded in the following manner:

To kick off the lecture, Mr. Draveen Kumar instilled a sense of motivation in the third-year students by highlighting three essential qualities crucial for success in today's competitive world. Firstly, he urged them to harness their knowledge and actively engage with their colleagues in the workplace. Secondly, Mr. Draveen Kumar stressed the importance of adaptability and having a team-oriented mindset, encouraging students to go the extra mile when necessary. Lastly, he placed significant emphasis on the concept of lifelong learning, underscoring its role in keeping students ahead in their careers.

In addition to these valuable insights, Mr. Draveen Kumar also shared tips and life hacks on maintaining a healthy work-life balance. Following this initial motivational address, he

seamlessly transitioned into the presentation, utilizing a SMART Board to convey his message effectively.

The students of the third-year ME class made excellent use of the opportunity presented to them. They actively engaged by posing pertinent questions and satisfying their thirst for knowledge. Furthermore, the alumni generously offered his contact information, pledging his willingness to assist students in clearing doubts whenever they encountered challenges during their studies.

## **Vote of Thanks:**

Mr. Muthulakshmanan, the Department Alumni Coordinator, extended his heartfelt gratitude to various individuals and entities. He began by thanking the Management, Principal, Vice-Principals, and the Head of the ME Department for granting permission to organize this event. A special note of appreciation was reserved for VICE PRINCIPAL - ADMINISTRATION whose unwavering support played a pivotal role in making this event possible.

Moreover, Mr. Muthulakshmanan expressed sincere appreciation to our esteemed alumni guest lecturer for gracing our campus and delivering an enriching interaction & lecture to our ME students. He underscored the department's desire for more such visits in the future. The Guest Lecture concluded on a highly positive note, thanks to the collaborative efforts of all involved.
