## **Introduction:**

Today, MITS had the privilege of hosting Mr. E.Reddy Prasad, an esteemed alumnus currently serving as a Software Developer at KAAR Technologies MNC Ltd. Mr. Reddy delivered a lecture on the topic "The Importance of Power Platform and Automation Anywhere" as part of an Alumni Interaction. This report summarizes the key highlights of the event.

## **Event Highlights:**

### **Invitation and Welcome:**

The Head of the Department, Dr. Baskaran, extended a formal invitation to Mr. Reddy to share his expertise with our students. Alumni Coordinator Mr. Muthulakshmanan delivered the welcome address, setting the stage for the enlightening session.

### **Appreciation:**

Dr. Prithvi Raj and Mr. Ragavendra, faculty members of the department, expressed their appreciation for Mr. Reddy's presence and his valuable contribution to the event.

### **Guest Lecture:**

Mr. Eshwar Reddy's lecture focused on elucidating the significance of Power Platform and Automation Anywhere in contemporary industries.

He provided insights into the role of these technologies in streamlining processes, enhancing productivity, and driving innovation across various sectors.

Mr. Reddy's engaging presentation captivated the audience, encouraging active participation and fostering a deeper understanding of the subject matter.

## **Interactive Session:**

The lecture prompted many students to interact with the guest speaker, seeking clarification and sharing their perspectives on the application of Power Platform and Automation Anywhere.

Mr. Reddy's practical examples and real-world experiences resonated with the audience, sparking meaningful discussions on the potential benefits and challenges associated with these technologies.

## **Vote of Thanks:**

Mr. Manoj Kumar, expressed heartfelt gratitude to Mr. Reddy for his insightful lecture.

He thanked all attendees for their enthusiastic participation and contribution to the success of the event, emphasizing the importance of such interactions in enriching the academic experience of students.

## **Conclusion:**

The Alumni Lecture delivered by Mr. Eshwar Reddy on the Importance of Power Platform and Automation Anywhere proved to be a valuable learning opportunity for our third-year students. His expertise and industry insights provided valuable insights into the transformative potential of these technologies. We extend our sincere appreciation to Mr. Reddy for his time and expertise, and we look forward to future collaborations that enhance the learning experience of our students.
