Alumni Guest Lecture on
(IN ASSOCIATION WITH IIIC-MITS)
IMPACTS ON ONLINE EDUCATION

Resource Person
Mr. PRAMOD KUMAR
BUSINESS DEVELOPMENT MANAGER-BYJU'S
MITS-Alumni Welfare Association

Date: 29-05-24 Venue: SB112

Introduction:

On 29th may, the Department of Mechanical Engineering, in association with IIIC- MITS, had the privilege of hosting an interactive session with Mr. Pramod Kumar, a distinguished alumnus from the 2020 batch. Mr. Kumar, who currently serves as the Business Development Manager at BYJU'S, took the time to engage with and inspire the mechanical students.

NBA Accredited - B.Tech. (CIVIL, CSE, ECE, EEE, MECH), MBA & MCA

Event Highlights:

The event commenced with a warm welcome from the Head of the Department, Dr. Baskaran, who expressed his gratitude to Mr. Pramod Kumar for taking the time to share his insights and experiences with the students. The Alumni Coordinator also joined in congratulating Mr. Kumar on his successful career journey since graduating from the college.

Guest Lecture:

During the interactive session, Mr. Pramod Kumar shared his own experiences as a student at MITS and discussed the challenges and opportunities he encountered during his transition from academia to the professional world. He provided valuable advice to the students on how to effectively prepare for their careers while still in college, emphasizing the importance of developing both technical skills and soft skills.

Mr. Kumar's insights into the current industry trends and the skills sought after by employers were particularly enlightening for the students. He encouraged them to actively seek out internships, participate in extracurricular activities, and engage in projects that would enhance their practical knowledge and problem-solving abilities.

Interactive Session:

Throughout the session, the students had the opportunity to ask questions and seek guidance from Mr. Pramod Kumar. His responses were thoughtful, informative, and well-received by the attentive audience. The interactive nature of the event allowed for a meaningful exchange of ideas and left the students feeling motivated and inspired.

Vote of Thanks:

The event concluded with a vote of thanks from the Alumni Coordinator, who expressed appreciation for Mr. Pramod Kumar's willingness to give back to his alma mater and contribute to the growth and

development of the current students. Dr. Baskaran also conveyed his gratitude and emphasized the importance of maintaining strong connections between the college and its alumni.

Overall, the alumni interaction session with Mr. Pramod Kumar was a resounding success. The mechanical students gained valuable insights into career development and were inspired by the achievements of a successful alumnus. The Department of Mechanical Engineering remains committed to fostering such interactions and providing its students with opportunities to learn from and network with accomplished professionals in their field
