Dr. Dhrubajit Sarma, Assistant Professor, Dept. of ME

Resource Person: Mr. D Anand Swaroop, Senior Manager, Adamsbridge, Chennai .

The programme started at 03:00 PM with a welcome address to all the audience by Dr. S. Baskaran, H.O.D, ME, MITS, Madanapalle followed by a speech by Dr. P. Ramanathan, Vice Principal (Academics), MITS, Madanapalle.

The brief introduction to resource person was given by Dr. Dhrubajit Sarma, AP/ME, after that session is handover to Mr. D Anand Swaroop, Senior Manager, Adamsbridge, Chennai.

The resource person started the session by extending his hearty thanks to the participants, organizing members, HoD, Principal and Management of MITS Madanapalle for giving opportunity to share his knowledge and experience on “Career by Choice or Chance”. The resource person shared valuable insights on several important topics during his engaging lecture. The lecture aimed to enlighten students on the following subjects:

- Time Management in Competitive Exams
- Effective Communication in Any Language
- The Significance of Core Jobs and Future Growth in Core Industries
- Importance of Campus Placements and Accepting Offers, Even if They Offer Low Salaries
- Challenges in Finding Jobs Outside Campus
- The Importance of Listening to and Respecting Teachers

Key Points of the lecture:

Time Management in Competitive Exams: Mr. D Anand Swaroop emphasized the importance of effective time management for success in competitive exams. He discussed strategies such as setting priorities, creating a study schedule, and avoiding procrastination. He stressed that consistent effort and focus are key to conquering competitive exams.

Effective Communication in Any Language: Mr. D Anand Swaroop shared insights on how to communicate confidently and boldly in any language. He emphasized the significance of clear articulation, active listening, and body language. Practical tips included practicing public speaking and networking regularly.

The Significance of Core Jobs and Future Growth in Core Industries: The resource person provided valuable insights into the core job market and its future prospects. He highlighted how specialization in core industries often leads to long-term career growth and stability. Students were encouraged to explore opportunities in their chosen fields.

Importance of Campus Placements and Accepting Offers, Even if They Offer Low Salaries: Mr. D Anand Swaroop discussed the significance of campus placements, even if they offer lower salaries initially. He emphasized the role of these placements in building a strong foundation for one's career and the possibility of salary increments over time.

Challenges in Finding Jobs Outside Campus: The speaker candidly addressed the challenges graduates may face while seeking employment outside of campus placements.

The Importance of Listening to and Respecting Teachers: Mr. D Anand Swaroop closed the lecture by underscoring the significance of respecting and listening to teachers. He acknowledged the role of educators in shaping students' futures and encouraged students to learn from their mentors' experiences.

Q&A Session: The lecture was followed by an engaging Q&A session, during which students had the opportunity to seek further clarification and guidance from Mr. D Anand Swaroop. The session concluded with the vote of thanks given by Dr. Dhrubajit Sarma, Assistant Professor, Department of Mechanical Engineering. He thanked the management, Dr. C. Yuvaraj (Principal MITS), Dr. S. Baskaran (HOD, ME), faculty members of ME department and participating students for the support received for organizing the guest lecture.
