A Report on Alumni Guest Lecture on "Exploring Abroad Opportunities for Higher Studies for Engineers"

Organized by Department of Mechanical Engineering

In Association with MITS Alumni Welfare Association

22.01.2026

Report Submitted by: Mr. Manoj Kumar S, Assistant Professor, Department of Mechanical Engineering.
Resource Person Details: Mr. Chakrdhar Reddy, Managing Director of Aurisioa Consultancy, Hyderabad
Total Participants: 150 students from the Department of ME& ECE
Venue: Seminal Hall A
Mode of Conduct: Offline
Report Received on 29.01.2026.

1. Introduction

The Department of Mechanical Engineering successfully organized an Alumni Guest Lecture on 22nd January 2026 at Seminar Hall A. The session was delivered by **Mr. Chakrdhar Reddy**, a distinguished alumnus who is currently serving as the Managing Director of Aurisioa Consultancy, Hyderabad.

The lecture was conducted for final year & third year Mechanical Engineering students with the objective of creating awareness about abroad opportunities for higher studies and guiding students on planning their academic careers at the global level. The session proved to be highly informative and motivating, especially for students aspiring to pursue postgraduate education in reputed international universities.

The program was coordinated by **Mr.S. Manoj Kumar**, ensuring smooth organization and execution of the event. The session commenced with a warm welcome by **Dr. Naga Swetha Madam**, followed by a brief and insightful introduction of the speaker **by Dr. Siviah.** The faculty members appreciated the speaker for sharing valuable knowledge and real-world guidance.

2. Objectives of the Guest Lecture:

The Alumni Guest Lecture aimed to provide clarity and structured guidance to students regarding international higher education pathways. The key objectives of the program were:

- To create awareness about higher studies opportunities abroad for engineering graduates.
- To guide students on country selection, university shortlisting, and course identification.
- To explain the step-by-step procedures involved in applying to foreign universities.
- To highlight the importance of early planning, academic performance, and skill development.
- To motivate students through alumni interaction and real-life success stories.
- 3. Proceedings of the Event

The program commenced at 10:30 AM with the presence of third-year Mechanical Engineering students, faculty members, and invited guests.

3.1 Welcome Address: The session began with a warm and formal welcome address by Dr. Naga Swetha Madam, who greeted the chief guest, faculty members, and students. In her address, she emphasized the importance of alumni interactions in shaping students' career aspirations and exposing them to global academic opportunities.

3.2 Introduction of the Speaker: Following the welcome address, **Dr. Siviah** introduced the speaker, Mr. Chakrdhar Reddy, highlighting his academic background, professional journey, and role as the Managing Director of Aurisioa Consultancy. He explained how Mr. Reddy has been actively guiding students and professionals toward achieving their dreams of studying abroad.

3.3 Guest Lecture by Mr. Chakrdhar Reddy began his lecture by sharing his personal experiences and professional exposure in the field of international education consultancy. He emphasized the growing importance of global exposure, international degrees, and cross-cultural learning in today's competitive engineering landscape.

The lecture covered the following key aspects in detail:

- Importance of Higher Studies Abroad
- Advantages of pursuing education in foreign universities.
- Exposure to advanced research facilities and global teaching methodologies.
- Career opportunities after completing international degrees.
- Popular Study Destinations
- Overview of countries such as USA, Canada, Germany, UK, Australia, and European nations.
- Comparison of education systems, tuition fees, living costs, and job prospects.

Mr. Reddy clearly explained the complete application process, including:

- Shortlisting universities based on profile strength.
- Preparing essential documents such as Statement of Purpose (SOP), Letters of Recommendation (LOR), academic transcripts, and resumes.
- Importance of standardized tests such as GRE, IELTS, TOEFL, and GATE, depending on the destination country.
- Understanding application timelines and deadlines.
- Scholarships and Financial Planning

3.4 Interactive Session: The interactive session was one of the highlights of the program. Many students actively participated by asking questions related to:

- Eligibility criteria for top universities
- Profile evaluation and improvement strategies
- Visa procedures and post-study work opportunities
- Career prospects after completing higher studies abroad

Mr. Chakrdhar Reddy patiently addressed all queries, providing clear and practical guidance. The interaction greatly benefited the students and helped clear their doubts regarding overseas education.

3.5 Appreciation and Vote of Thanks: Faculty members present during the session expressed their appreciation for the speaker's informative and motivational talk. They acknowledged the clarity and depth of knowledge shared, which significantly helped students understand the roadmap for higher studies abroad.

The session concluded with a vote of thanks delivered by the organizing team, expressing gratitude to the chief guest, faculty members, and students for their active participation.

4. Outcomes and Key Takeaways:

The Alumni Guest Lecture yielded several positive outcomes for the students:

- Students gained a clear understanding of abroad education opportunities.
- Awareness about application procedures, entrance exams, and documentation was enhanced.
- Students realized the importance of early planning and profile building.
- The session motivated students to set long-term academic and career goals.
- Many students benefited directly through interaction with the chief guest.

5. Conclusion:

The Alumni Guest Lecture by **Mr. Chakrdhar Reddy** was a highly successful and impactful event. The session provided all students with valuable insights into exploring abroad opportunities for higher studies and preparing effectively for international education. The event strengthened the bond between alumni and students and served as a guiding platform for aspiring engineers. The Department of Mechanical Engineering extends its sincere gratitude to **Mr. Chakrdhar Reddy, Dr. Naga Swetha Madam, Dr. Siviah, Mr. Manojkumar**, and all faculty members for their support in organizing the program. The lecture concluded on an inspiring note, leaving students confident, informed, and motivated to pursue their academic ambitions at a global level**.**

I, Mr. Manoj Kumar S, take this opportunity to express my deep sense of gratitude to all those who have supported and contributed to the successful organization of this program. First and foremost, I extend my sincere thanks to the Management of our institution for their unwavering encouragement and continuous support in promoting academic and professional development initiatives. I am especially grateful **to Dr. P. Ramanathan**, Principal, for his kind permission, motivation, and financial support, which were instrumental in planning and executing this program effectively.
