

A Report on "Ideathon 2023"
Organised by Department of Mechanical Engineering
On 23.11.2023

Academic Year	: 2023-24
Quarter	: 01(September to November)
Department Name	: Department of Mechanical Engineering
Program / Activity Name	: Ideathon 2023
Program Type	: Level 3: Hackathon
Program Theme	: Design Thinking / Innovation
Duration of the Activity	: One Day
Date	: 23/11/2023
Participant	: 54 Students
Mode of session delivery	: Offline

Objectives:

- To foster creativity and innovation
- To inculcate the collaboration and team work
- To provide platform for students to pitch their ideas and get valuable feedback

Overview:

Ideathon 2023 was organized by Department of Mechanical Engineering in association with IIC of MITS at Madanapalle Institute of Technology & Science, auditorium on 23rd November, 2023. Mr. Ajith G. Joshi, Asst. Prof. & Innovation Cell Members was the coordinator for the event. The event provided the platform to students for showcasing their innovative ideas and receive the feedback from the experts to nurture their ideas into products.

The programme started at 1.30 PM in the Seminar Hall B, MITS. Dr. S. Baskaran, HOD, Dept. of ME welcomed the gathering. Dr. K. Arulkumar, IIC Convener addressed the gathering and conveyed the significance of Ideathon event. Dr. P. Ramanathan, Vice-Principal delivered his speech on importance of participation in the events such as Ideathon and conveyed his best wishes. Mr. Ajith G. Joshi, Coordinator of the event greeted with vote of thanks to all.

The event poster was released on 1st November 2023 with call for Ideas. Nearly 27 Ideas were received from the students of various departments. Among them, 20 Ideas were presented during the event. 2 prizes viz. 1st and 2nd prize were awarded based on the marks/scores awarded by the judges. Judges gave their valuable feedback to the participants and motivated them to take it further for the development, subsequently converting them into feasible products.

The faculty members and student coordinators of Mech. Engg. Dept. have supported for the smooth conduction of the event. Also, Dr. S. Gopalakrishnan, IIC coordinator and other IIC members have extended their support for the conduction of the event.

Department of Mechanical Engineering thanks the management for supporting to conduct the event successfully.

Benefits in terms of learning:

The event like Ideathon encourages the students to portray the budding ideas of innovative minds, inculcate the problem identification in their surroundings and cultivate the efforts to find the possible solutions through problem solving abilities.

Prize Winners:

1. *Aniket Arun Sasmal, Patan Anwar Ali Khan, Shaik Banuheer, Shaik Almas (2nd Year, CST): MediConnect: Revolutionizing Emergency Response for Timely Access to Critical Medical Care – 1st Prize*

2. *N. Anil Kumar, R. Aravind, Y. Bharath, N. Dasharath Reddy (3rd Year, CSE): Disaster Management – 2nd Prize*
