

A Report on "Alumni meet-2026"
Organized by Department of Mechanical Engineering
on 11.04.2026

Report Submitted by: Dr. Muthu Lakshmanan, Assistant Professor, Department of Mechanical Engineering.
Venue: Board room, MITS (Deemed to be University)
Mode of Conduct: Offline
Report Received on 16.04.2026.

1. Introduction

The Alumni Meet of the Department of Mechanical Engineering at **MITS Deemed to be University (Madanapalle Institute of Technology and Science)** campus was successfully organized on **11th April 2026**. The event served as a remarkable platform to reconnect with former students, strengthen alumni relations, and inspire current students through the professional journeys of distinguished alumni. The meet reflected the institution's commitment to maintaining a lifelong bond with its graduates and fostering a collaborative academic environment.

2. Welcome Address

The program commenced at the Board Room with a warm and gracious welcome by the **Honorable Vice Chancellor, Prof. Yuvaraj**, who addressed the gathering with an inspiring speech. He emphasized the importance of alumni as ambassadors of the institution and highlighted their role in contributing to the growth and reputation of the university.

The event was effectively coordinated with the support of the **Alumni Relations Officer, Dr. G. Nagaswetha**, and the **Head of the Mechanical Engineering Department, Dr. Baskaran**, who ensured smooth organization and execution of the program.

3. Participation and Alumni Interaction

The Alumni Meet witnessed the enthusiastic participation of 22 alumni members (2006-2010 Batch) from various professional backgrounds. The alumni expressed great joy in revisiting their alma mater and nostalgically recollected their student days. They revisited classrooms, laboratories, and other facilities, cherishing memories of their academic journey.

The interaction session created a vibrant atmosphere where alumni shared their experiences, career paths, and professional insights with faculty and students. Their stories reflected dedication, perseverance, and the quality education imparted by the institution.

4. Distinguished Alumni Profiles

Several alumni who attended the meet are currently holding prestigious positions in reputed organizations and industries. A few notable participants include:

- **Mr. Venkataramana**, General Manager – Sales at Daikin India.Hyderabad.

Their presence added immense value to the event and inspired students with real-world exposure and career possibilities.

5. Campus Visit and Engagement Activities

The alumni were taken on a guided campus tour, coordinated by **Mr. Rizwan** and **Dr. Muthu Lakshmanan**. The visit included exploration of advanced laboratories, academic blocks, and the campus radio station. The alumni appreciated the infrastructural developments and technological advancements made by the institution.

The interactive sessions allowed alumni to engage directly with students, offering guidance on career planning, skill development, and industry expectations. During interactive sessions many of the mechanical faculty showed their presence. Their insights proved highly beneficial, especially for students preparing for placements and higher studies.

6. Alumni Contributions and Support

During the meet, the alumni expressed their willingness to actively contribute to the growth of the department and institution. They assured support in various areas such as:

- Providing internship opportunities
- Assisting students in project work
- Offering industry guidance and mentorship
- Supporting placement activities

The alumni also presented a token of appreciation to the department and the Vice Chancellor as a gesture of gratitude and respect.

7. Hospitality and Event Management

The management of MITS ensured excellent hospitality arrangements for the visiting alumni. The event was meticulously planned and executed, reflecting professionalism and dedication. The efforts of the organizing team, faculty members, and coordinators contributed significantly to the success of the program.

8. Conclusion

The Alumni Meet 2026 was a grand success, strengthening the bond between the institution and its alumni. The event not only revived cherished memories but also created new opportunities for collaboration and mentorship. The alumni's commitment to supporting their juniors and contributing to the institution's development highlights the strong foundation laid by MITS.

Such initiatives play a vital role in bridging the gap between academia and industry, ensuring holistic development for current students. The department looks forward to organizing more such events to foster long-lasting relationships with its alumni network.
