- Dr. D Arun Kumar – Assistant Professor, Department of Mechanical Engineering.
- Mr. D Arvindhan- Assistant Professor, Department of Mechanical Engineering.
- Mr. S. Manojkumar - Assistant Professor, Department of Mechanical Engineering.
- Dr. G. Veeresalingam-Parents Meeting Coordinator, Department of Mechanical Engineering.

Objective of the Event:

The parent-teacher meeting at the college aimed to provide a platform for parents and faculty to discuss students' academic progress, behavior, and address any concerns. The meeting was organized to foster a positive relationship between parents, faculty, and students, ultimately benefiting the department in all aspects.

Program Details:

The event commenced with a lamp-lighting ceremony, followed by a welcome address from Dr. S. Baskaran, Head of the Department, then emphasized the significance and benefits of the meeting in his opening remarks. After the inauguration, Dr. S. Baskaran highlighted the importance of student performance, attendance, training, and placement activities in his presentation. He also appreciated the merit students from 2nd, 3rd, and 4th year mechanical students.

Following the presentation, faculty members Dr. D Arun Kumar, Dr. G.Veeresalingam from the Mechanical Engineering Department interacted with parents, addressing student attendance issues and the challenges faculty face in maintaining communication with parents.

A parent-teacher interaction session was held where faculty discussed students' academic performance, attendance rates, and discipline. Parents also provided feedback and shared suggestions for student development.

The event concluded with a vote of thanks delivered by Dr. G. Veeresalingam, the event coordinator. Overall, the meeting was productive, creating a platform for parents and faculty to jointly address students' academic and behavioral growth. It encouraged collaboration and shared responsibility in ensuring student success, with both parties agreeing to work together to support student development.
