

Report on the Awareness Program on Overseas Education
By

Eleven11 Consultancy Team

“A Planner for Overseas Education to UK, Australia, USA, Ireland, New Zealand, Germany & Italy”

Date: 28-08-2026

Time: 3.00 PM to 4.30 PM

Venue: Seminar Hall B

Resource Persons: Mrs. Shamatha, Director, Eleven Overseas

MITS International Relations office organized an awareness program on **“A Planner for Overseas Education by Eleven Overseas to UK, Australia, USA, Ireland, New Zealand, Germany & Italy”** on 28th August 2026 in the Seminar Hall B at 3.00 to 4.30 PM. Interested third year students of all the departments have attended the session along with the IRO Coordinators of the respective departments.

The main objective of the program was to create awareness about higher education systems in UK, Australia, USA, Ireland, New Zealand, Germany & Italy and also to inform them about the benefits, choosing right program, scholarship schemes, Visa process, specialization importance and admission requirements.

The resource person **Mrs. Shamatha, Director, Eleven Overseas Consultancy** addressed the third-year B. Tech and interested students of all branches. As the resource person, she enlightened the students about gaining global perspective and a deeper understanding, importance of life skills, enhancing career prospects, benefits of studying abroad, choosing the right program. She also explained the wide range of the academic prospects, scholarships and application procedures

pertaining to the country specific. Mrs. Shamatha offered her guidance for the aspiring students and familiarized them with the requirements and benefits of pursuing education in the reputed global institutions in UK, Australia, USA, Ireland, New Zealand, Germany & Italy. She also through limelight on the various scholarship schemes, visa processes and admission requirements in the public and private universities in each country. She shared some deep insights about the international learning environments that foster global exposure and skill development for their better careers. An additional information was shared on choosing suitable courses, understanding the admission norms and preparing for standardized tests such as **IELTS, TOEFL and GRE**.

The program enhanced students' understanding of international educational pathways and many participants expressed their interest in applying to the universities abroad and appreciated the clarity offered by Mrs. Shamatha. The event was highly informative and beneficial that broadened the participants' perspectives on global education that inspired the students to consider various academic opportunities that escalate their skillset and professional growth.
