## Report on

## Special Interaction Session on the Benefits of IETE for Students

24.01.2025 (Friday)

**Coordinators:** **Dr. B. Rajesh Kumar, Program Coordinator, MITS Radio 90.8 CRS**

**Dr. E. Aravindraaj, Technical Coordinator, MITS Radio 90.8 CRS**

The MITS Community Radio 90.0 hosted a special interaction session on 24th January 2025, focusing on the **benefits of the Institution of Electronics and Telecommunication Engineers (IETE) for students** and Association with ECE. The program was graced by the esteemed presence of **Dr. Vijayendra Babu**, (Asst Professor, Vellore Institute of Technology) a renowned academic and expert in the field of Electronics and Telecommunication, who participated as the chief guest. The session was skillfully hosted by **Ms. Kiranmayi**, whose engaging questions brought out valuable insights from the guest.

Dr. Vijayendra Babu emphasized the critical role IETE plays in fostering technical and professional growth among students pursuing careers in electronics, telecommunications, and related disciplines. He outlined various benefits offered by IETE

- **Access to Professional Resources:**

Students gain access to industry-relevant publications, technical journals, and research papers.

- **Skill Development Programs:**

Workshops, seminars, and certification courses provided by IETE prepare students for cutting-edge technologies.

- **Networking Opportunities:**

IETE membership connects students with industry professionals, peers, and alumni networks.

- **Recognition and Awards:**

IETE acknowledges academic excellence and innovation through awards and scholarships.

- **Career Advancement:**

Membership enhances students' resumes and opens up internship and job opportunities in reputed organizations.

The session also included a Q&A segment where students' queries were addressed, encouraging participation and sparking curiosity about IETE's initiatives. Dr. Babu urged students to actively engage with IETE chapters, emphasizing that involvement not only boosts technical knowledge but also nurtures leadership and teamwork skills essential for success in today's competitive world. The session concluded with Dr. Babu appreciating the efforts of MITS Community Radio for organizing the interaction and creating a platform to enlighten students about such invaluable opportunities.

### **Outcome:**

The session successfully highlighted the advantages of being part of IETE and inspired students to leverage the institution's resources for their academic and professional growth.

### **Conclusion:**

The special interaction session on the benefits of IETE for students proved to be an enriching and enlightening experience for all participants. With valuable insights from Dr. Vijayendra Babu of Vellore Institute of Technology, students gained a deeper understanding of the opportunities and advantages offered by IETE in advancing their technical and professional skills. This session not only highlighted the importance of engaging with professional organizations but also inspired
