Organised by

Mrs.U. Vijaya Lakshmi , International Relations Senior Manager & Dr K.Sathesh , Assoc
Professor ECE & CRS Coordinator

16.10.2022 (Sunday)

MIT'S Radio 90.8 CR recently conducted a Radio Jockey selection process exclusively for MIT'S students, and the judge for the event was Dr. R.A. Padmanabha Rao, Additional Director General (Rtd.) of Doordarshan, Delhi. As a retired official of the national public broadcaster, Dr. Rao has extensive experience in the broadcasting industry and was well-suited to judge the event.

The selection process was conducted on the MIT'S campus in Madanapalle, and several aspiring radio jockeys participated in the event. The participants were all MIT'S students who were eager to showcase their skills and win a position at the radio station.

During the selection process, the participants were asked to demonstrate their ability to engage listeners, deliver news and entertainment, and present music. Dr. Rao carefully evaluated each participant and provided valuable feedback to help them improve their skills.

At the end of the selection process, Dr. Rao announced the winners and congratulated them on their achievement. He also praised the efforts of MIT'S Radio 90.8 CR in promoting local talent and providing opportunities for young people to pursue careers in the broadcasting industry.

The successful participants were offered positions as radio jockeys at MIT'S Radio 90.8 CR, and they expressed their gratitude to Dr. Rao and the radio station for the opportunity. They were excited to join the station and contribute to its mission of providing quality programming to the community.

Overall, the Radio Jockey selection process conducted by MITS Radio 90.8 CR for MITS students was a great success, and Dr. Rao's expertise and guidance were invaluable in selecting the most talented candidates. The event was a testament to the station's commitment to promoting local talent and providing quality programming to its listeners, as well as to the potential of the students of MITS.
